

Identity Declaration/Letter of Authorization

Manufacturer: Network Engines, Inc. (NEI)
Brand Name: Veritas
Equipment Category: Server
Regulatory Model: VER5000WF

Brand Server Models: Netbackup 5340, Access 3340, Flex 5340

This letter shall serve as authorization that the brand name, regulatory model and brand server models denoted above are equivalent to NEI model E-2900 R5 and are authorized to share regulatory certifications/reports.

These products are manufactured at Network Engines, Inc. facilities (Network Engines, Inc. is a wholly owned trademark of UNICOM Engineering, Inc.) specifically on the behalf of the Brand Name above and we authorize the use of the brand name on our products.

The undersigned hereby declare that:

The above mentioned brand server models are based on NEI server Model E-2900 R5 and is identical to it except for brand name, model, software application and minor secondary circuit options.

We are granting permission to Veritas to use NEI regulatory information required in obtaining any extra Safety and EMC agency approvals for the practically identical product that will be carrying the Veritas brand name.

If you have any questions regarding this authorization, please contact me at +1 972-633-3417.

Best Regards,

Michael Cantwell
