Enabling your organization to plan with certainty:
Simple and consistent discounting of Veritas software
and solutions

Veritas Volume Purchase License Agreements

For enterprise organizations seeking consistent and reliable pricing, the Veritas Volume Purchase Agreement (VPA) offers purchasing predictability via pre-agreed discounting for a fixed period of time. A customer's initial investment will establish the discount that the customer will continue to receive over a 2 or 3 year period.

The VPA provides customers with pre-agreed discounting for the entire portfolio of Veritas software.

VPA Term and Renewal

The initial term of a VPA is 2 or 3 years. A Customer may then elect either to renew their VPA prior to the expiration of the initial term or to participate in another Veritas Licensing Program.

How to request a VPA

For further information or to request a VPA, contact your authorized Veritas Reseller or Veritas Account Manager.
