

PRODUCT USE RIGHTS DOCUMENT FOR DATA INSIGHT

This Product Use Rights Document ("Document") contains additional terms and conditions (the "Product Use Rights") for the Licensed Software licensed under the Veritas Software License Agreement ("License Agreement") between You as the individual, the company, or the legal entity that will be utilizing the Licensed Software (referenced below as "You" or "Your") and Veritas Technologies LLC. Capitalized terms used in this Document but not defined herein will have the meaning given in the License Agreement. To the extent there is a conflict between the terms and conditions of the License Agreement and this Document, the terms and conditions of this Document will take precedence.

BY DOWNLOADING, INSTALLING OR USING THE LICENSED SOFTWARE, YOU AGREE TO COMPLY WITH THE PRODUCT USE RIGHTS IN THIS DOCUMENT, IN ADDITION TO THE TERMS AND CONDITIONS OF THE LICENSE AGREEMENT. IF YOU DO NOT AGREE TO THE PRODUCT USE RIGHTS APPLICABLE TO THE LICENSED SOFTWARE, DO NOT DOWNLOAD, INSTALL OR USE THE LICENSED SOFTWARE.

For purposes of this Document, the Licensed Software is: **DATA INSIGHT**

1. ADDITIONAL DEFINITIONS.

- 1.1. **"User"** means any User that is managed, monitored and/or protected by the Licensed Software. The number of Managed Users required to be licensed shall be equal to the number of individual persons, devices and/or individual user directory accounts that are managed, monitored and/or protected by the Licensed Software, as applicable.
- 1.2. **"Front End Terabyte" or "FETB"** shall mean the total aggregate amount of data on Clients or Devices (i) on which the applicable Licensed Software is installed or (ii) for which the Licensed Software is used to provide backup functionality, when such data is measured as the largest aggregate full (or synthetic full) backup performed as actually measured by the Licensed Software. Any partial terabytes of data shall be rounded up to the next whole terabyte. One Terabyte is equal to one thousand twenty-four (1,024) gigabytes of data.

2. ADDITIONAL USE RIGHTS AND LIMITATIONS.

- 2.1 You may use the Licensed Software to manage the number of Users of the Licensed Software and/or the number of FETB's of the Licensed Software per the terms contained in this License Agreement and according to the Use Level limitations specified in the License Instrument for the license(s) which You have purchased.
- 2.2 If the License Instrument indicates that You have received a license for Veritas Data Insight Self Service Portal ("Portal"), You may use the Portal to manage the number of Users of the Portal and/or the number of FETB's of the Portal Add-On per the terms contained in this License Agreement and according to the Use Level limitations specified in the License Instrument for the license(s) which You have purchased. Unless otherwise authorized by Veritas, You must have a license to the Portal Add-On for at least the same number of Users and/or the number of FETB's as You have licensed for the Licensed Software.
- 2.3 If You have received the Licensed Software included as part of a bundle of software products (a "Bundle"), rather than licensed separately, You may use each individual Licensed Software product contained in the Bundle in the quantities and in accordance with the license meter stated in the applicable License Instrument.
- 2.4 **VERITAS DATA INSIGHT SCHEMA AND API**
 - 2.4.1 **Schema License.** Veritas may provide You with development schema and other written materials to enable interoperability of other software with the Licensed Software ("Schema") and/or a web API to allow You to query the Schema ("Schema API"). You are entitled under this License Agreement to use an unlimited number of copies of such Schema, Schema API and any software that You produce with the Schema ("Schema Code") solely for the purposes of generating queries, enabling applications to work with the Licensed Software and allowing for custom extractions from the Licensed Software. This Schema license shall be in addition to any licenses for the Licensed Software acquired by You under this License Agreement.
 - 2.4.2 **No Redistributable Code.** The Schema, Schema API and the Schema Code shall only be used by You for Your internal use, except as expressly provided in this License Agreement, and may not be distributed, alone or as integrated with any other code or product, by You in any manner whatsoever to any third party.
 - 2.4.3 **Open Source Code.** Your license rights to the Schema, Schema API and the Schema Code are conditioned upon Your not creating derivative works of the Schema, Schema API and the Schema Code in any manner that would cause the Schema, Schema API and/or the Schema Code in whole or in part to become Open Source Code. "Open Source Code" means a software

program that is licensed under terms that require disclosure to parties other than the licensor of the source materials of the software program or modifications thereof, or any source materials of any other software program with which the Open Source Code software program is intended to operate, or that create obligations to distribute any portions of any software program with which the Open Source Code software program is used. Open Source Code includes, without limitation, any software licensed under the GNU General Public License.

- 2.4.4 **Third Party Consultants.** You may allow third party consultants to exercise the right granted in this Section 3 on Your behalf provided that: (a) You ensure that such consultants adhere to the applicable terms and conditions of this License Agreement; and (b) You indemnify Veritas for any breach of this License Agreement by such consultants.
 - 2.4.5 **Support/Maintenance for Schema.** Veritas has no obligation under this License Agreement to provide maintenance/support for the Schema, Schema API and/or Schema Code. Any maintenance/support purchased in conjunction with Your license to the Licensed Software shall apply to Your use of the Schema, Schema API and Schema Code, and is subject to Veritas' then-current maintenance/support policies.
 - 2.4.6 **No Use of Veritas Trademarks.** You acknowledge that Veritas, the Veritas logo, the Checkmark logo and other related marks are trademarks or registered trademarks of Veritas or its affiliates in the U.S. or other countries (the "Veritas Marks"). Except as specifically granted herein, nothing in this Agreement creates any ownership or license in and to Veritas Marks. Your use of the Schema and Schema API under this License Agreement does not include any right for You to use any Veritas Marks in any form without prior written approval by Veritas. Any use of the Veritas Marks is subject to the Veritas Trademark Usage Guidelines at <http://www.Veritas.com/about/profile/policies/trademarks.jsp>.
 - 2.4.7 **Warranty Disclaimer.** NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THE AGREEMENT, THE SCHEMA AND SCHEMA API ARE PROVIDED "AS IS," EXCLUSIVE OF ANY WARRANTY, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NONINFRINGEMENT, OR ANY OTHER WARRANTY, WHETHER EXPRESSED OR IMPLIED. THE SCHEMA AND SCHEMA API ARE PROVIDED GRATUITOUSLY AND, ACCORDINGLY, VERITAS SHALL NOT BE LIABLE UNDER ANY THEORY FOR ANY DAMAGES SUFFERED BY YOU OR ANY USER OF THE SCHEMA AND SCHEMA API. VERITAS WILL NOT PROVIDE DEVELOPER, ENGINEERING OR ANY TECHNICAL SUPPORT FOR THE SCHEMA AND THE SCHEMA API AND WILL NOT ISSUE UPDATES, UPGRADES, OR ENHANCEMENTS TO THE SCHEMA AND SCHEMA API.
 - 2.4.8 **Disclaimer of Damages.** TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW AND REGARDLESS OF WHETHER ANY REMEDY SET FORTH HEREIN FAILS OF ITS ESSENTIAL PURPOSE, IN NO EVENT WILL VERITAS BE LIABLE TO YOU FOR ANY DIRECT, SPECIAL, CONSEQUENTIAL, INDIRECT OR SIMILAR DAMAGES, INCLUDING ANY LOST PROFITS OR LOST DATA ARISING OUT OF THE USE OR INABILITY TO USE THE SCHEMA AND SCHEMA API EVEN IF VERITAS HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.
 - 2.4.9 **Development Disclaimer:** Notwithstanding any other provision of this License Agreement, the following terms shall be applicable to the Schema, Schema API and the Schema Code: THE SCHEMA AND SCHEMA API ALLOW YOU TO DEVELOP ADDITIONAL QUERIES AND EXTRACTIONS AND TO INTEGRATE OTHER SOFTWARE WITH THE LICENSED SOFTWARE, SUBJECT TO THE LIMITATIONS SET FORTH IN THIS SECTION 3H. VERITAS SHALL NOT BE RESPONSIBLE FOR ANY SUCH INTEGRATION OR ANY DEVELOPMENT AND PROGRAMMING ACTIVITIES UNDERTAKEN BY YOU, INCLUDING, BUT NOT LIMITED TO, USE OF THE SCHEMA FOR OTHER THAN THEIR INTENDED PURPOSE. UNLESS YOU USE THE APPROPRIATE DEGREE OF SKILL AND CARE IN YOUR DEVELOPMENT AND PROGRAMMING ACTIVITIES, YOUR USE OF THE SCHEMA, SCHEMA API AND/OR THE SCHEMA CODE MAY CAUSE ERRORS OR PROBLEMS IN THE USE OR OPERATION OF THE LICENSED SOFTWARE. YOU MAY USE THE SCHEMA, SCHEMA API AND/OR THE SCHEMA CODE WITH THE LICENSED SOFTWARE AT YOUR SOLE RISK. VERITAS SHALL HAVE NO LIABILITY FOR ANY USE OF THE SCHEMA, SCHEMA API AND/OR SCHEMA CODE FOR OTHER PURPOSES OR FOR ANY FAILURE OF THE SCHEMA, SCHEMA API, THE SCHEMA CODE AND/OR THE LICENSED SOFTWARE BASED ON YOUR FAILURE TO PROPERLY DEVELOP, PROGRAM, INSTALL, CONFIGURE AND MONITOR YOUR DEVELOPMENTS WITH THE LICENSED SOFTWARE.
3. **THIRD PARTY SOFTWARE.** Certain licenses of third party software included in the Licensed Software may be third party beneficiaries of this Agreement.

- 4. Use of Oracle Java Software.** The Licensed Software contains Java as licensed from Oracle Corporation. Your use of the Java portion of the Licensed Software ("Java Software") is subject to the following additional terms:

4.1 Java Technology Restrictions. You shall not create, modify, change the behavior of, or authorize licensees of Veritas to create, modify, or change the behavior of, classes, interfaces, or subpackages that are in any way identified as "java", "javax", "sun" or similar convention as specified by Oracle in any naming convention designation. In the event that Veritas creates an additional API(s) which: (a) extends the functionality of a Java Environment; and (b) is exposed to third party software developers for the purpose of developing additional software which invokes such additional API, Veritas must promptly publish broadly an accurate specification for such API for free use by all developers.

4.2. Trademarks and Logos. This License Agreement does not authorize You to use any Oracle America, Inc. name, trademark, service mark, logo or icon. You acknowledge that Oracle owns the Java trademark and all Java-related trademarks, logos and icons including the Coffee Cup and Duke ("Java Marks") and agree to: (a) comply with the Java Trademark Guidelines at <http://www.oracle.com/us/legal/third-party-trademarks/index.html>; (b) not do anything harmful to or inconsistent with Oracle's rights in the Java Marks; and (c) assist Oracle in protecting those rights, including assigning to Oracle any rights acquired by Veritas in any Java Mark.

4.3. Source Code. The Java Software may contain source code that, unless expressly licensed for other purposes, is provided solely for reference purposes pursuant to the terms of this License Agreement. Source code may not be redistributed unless expressly provided for in the terms of this License Agreement.

4.4. Third Party Code. Additional copyright notices and license terms applicable to portions of the Java Software are set forth in the THIRDPARTYLICENSEREADME.txt file.

4.5. Commercial Features. Use of the Commercial Features for any commercial or production purpose requires a separate license from Oracle. "Commercial Features" means those features identified in the Java Software documentation accessible at <http://www.oracle.com/technetwork/java/javase/documentation/index.html>. Nothing in this License Agreement grants any rights to use the Commercial Features of the Java Software.

- 5. DATA COLLECTION; DATA PROTECTION REGULATIONS.** In connection with Customer's use of the Licensed Software, Veritas may collect, retain, disclose and use certain information ("Collected Data"). Collected Data may include, but is not limited to, personally identifiable information about Customer, Customer devices or systems or Customer software usage. Veritas use(s) such Collected Data to enable, optimize and provide the Licensed Software or maintenance/support to Customer (and may engage third parties to do so as well) and to improve Veritas' products and Licensed Software in general, including by reviewing aggregate data for statistical analyses. By installing and/or using the Licensed Software, Customer agrees to allow Veritas to collect Collected Data as described in this section. Please refer to Veritas' product privacy notices at <https://www.veritas.com/company/privacy> in order to fully understand what information Veritas collects, retains, discloses, and uses from Customer or Customer devices. Please note that the use of the Licensed Software may be subject to data protection laws or regulations in certain jurisdictions. Customer are responsible for ensuring that Customer's use of the Licensed Software is in accordance with such laws or regulations. Where Customer's processing of the personal data provided to Veritas under this Agreement is subject to the General Data Protection Regulation (EU) 2016/679, or other applicable laws that relate to the processing of personal data and privacy that may exist in the European Economic Area, Switzerland, Veritas shall process such personal data in accordance with the Data Processing Terms and Conditions at www.veritas.com/gdpr.
