6. UPGRADES/CROSS-GRADES. Symantec reserves the right to require that any upgrades (if any) of the Licensed Software may only be obtained in a quantity equal to the number indicated on the applicable License Instrument. An upgrade to an existing license shall not be deemed to increase the number of licenses which You are authorized to use. Additionally, if You upgrade a Licensed Software license, or purchase a Licensed Software license listed on the applicable License Instrument to cross-grade an existing license (i.e. to increase its functionality, and/or transfer it to a new operating system, hardware tier or licensing meter), then Symantec issues the applicable License Instrument based on the understanding that You agree to cease using the original license. Any such license upgrade or cross-grade is provided under Symantec’s policies in effect at the time of order. 8. LIMITED WARRANTY.

8.1 MEDIA WARRANTY. If Symantec provides the Licensed Software to You on tangible media, Symantec warrants that the magnetic media upon which the Licensed Software is recorded will not be defective under normal use, for a period of ninety (90) days from delivery. Symantec will replace any defective media returned to Symantec within the warranty period at no charge to You. The above warranty is inapplicable in the event the Licensed Software media becomes defective due to unauthorized use of the Licensed Software. If the Licensed Software does not comply with this warranty and such non-compliance is reported by You to Symantec within the ninety (90) day warranty period, Symantec will do one of the following, selected at Symantec’s reasonable discretion: either (i) repair the Licensed Software, (ii) replace the Licensed Software with software of substantially the same functionality, or (iii) terminate this License Agreement and refund the relevant license fees paid for such non-compliant Licensed Software. The above warranty specifically excludes defects resulting from accident, abuse, unauthorized repair, modifications or enhancements, or misapplication. THE FOREGOING IS YOUR SOLE AND EXCLUSIVE REMEDY FOR SYMANTEC’S BREACH OF THIS WARRANTY.
8.3 SUPPORT WARRANTY. The following applies only in the absence of a separate Support Certificate (with included support warranty) issued by Symantec: Symantec warrants, for a period of thirty (30) days from the date of performance of Maintenance/Support, that such Maintenance/Support will be performed with reasonable care and skill. For Maintenance/Support not performed as warranted in this provision, and provided Client has reported such nonconformance to Symantec within thirty (30) days of performance of such non-conforming Maintenance/Support, Symantec will, at its discretion, either correct any nonconforming Maintenance/Support or refund the relevant fees paid for the nonconforming Maintenance/Support. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE WARRANTIES SET FORTH IN SECTION 8 ARE YOUR EXCLUSIVE WARRANTIES AND ARE IN LIEU OF ALL OTHER WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, SATISFACTORY QUALITY, FITNESS FOR A PARTICULAR PURPOSE, AND NONINFRINGEMENT OF INTELLECTUAL PROPERTY RIGHTS. SYMANTEC MAKES NO WARRANTIES OR REPRESENTATIONS THAT THE LICENSED SOFTWARE, CONTENT UPDATES OR UPGRADES WILL MEET YOUR REQUIREMENTS OR THAT OPERATION OR USE OF THE LICENSED SOFTWARE, CONTENT UPDATES, AND UPGRADES WILL BE UNINTERRUPTED OR ERROR-FREE. YOU MAY HAVE OTHER WARRANTY RIGHTS, WHICH MAY VARY FROM STATE TO STATE AND COUNTRY TO COUNTRY.

10. LIMITATION OF LIABILITY. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW AND REGARDLESS OF WHETHER ANY REMEDY SET FORTH HEREIN FAILS OF ITS ESSENTIAL PURPOSE, IN NO EVENT WILL SYMANTEC OR ITS LICENSORS, RESELLERS, SUPPLIERS OR AGENTS BE LIABLE TO YOU FOR (I) ANY COSTS OF PROCUREMENT OF SUBSTITUTE OR REPLACEMENT GOODS AND SERVICES, LOSS OF PROFITS, LOSS OF USE, LOSS OF OR CORRUPTION TO DATA, BUSINESS INTERRUPTION, LOSS OF PRODUCTION, LOSS OF REVENUES, LOSS OF CONTRACTS, LOSS OF GOODWILL, OR ANTICIPATED SAVINGS OR WASTED MANAGEMENT AND STAFF TIME; OR (II) ANY SPECIAL, CONSEQUENTIAL, INCIDENTAL OR INDIRECT DAMAGES WHETHER ARISING DIRECTLY OR INDIRECTLY OUT OF THIS LICENSE AGREEMENT, EVEN IF SYMANTEC OR ITS LICENSORS, RESELLERS, SUPPLIERS OR AGENTS HAS BEEN ADVISED SUCH DAMAGES MIGHT OCCUR. IN NO CASE SHALL SYMANTEC’S LIABILITY EXCEED THE FEES YOU PAID FOR THE LICENSED SOFTWARE AND/OR MAINTENANCE/SUPPORT GIVING RISE TO THE CLAIM. NOTHING IN THIS AGREEMENT SHALL OPERATE SO AS TO EXCLUDE OR LIMIT SYMANTEC’S LIABILITY TO YOU FOR DEATH OR PERSONAL INJURY ARISING OUT OF NEGLIGENCE OR FOR ANY OTHER LIABILITY WHICH CANNOT BE EXCLUDED OR LIMITED BY LAW. THE DISCLAIMERS AND LIMITATIONS SET FORTH ABOVE WILL APPLY REGARDLESS OF WHETHER OR NOT YOU ACCEPT THE LICENSED SOFTWARE, CONTENT UPDATES OR UPGRADES.

11. MAINTENANCE/SUPPORT. Maintenance and support purchased for Products is provided and performed in accordance with Symantec’s then-current standard applicable Maintenance/Support terms for such products and, if applicable, an additional Support Certificate issued by Symantec.

12. SOFTWARE EVALUATION. If the Licensed Software is provided to You for evaluation purposes and You have an evaluation agreement with Symantec for the Licensed Software, Your rights to evaluate the Licensed Software will be pursuant to the terms of such evaluation agreement. If You do not have an evaluation agreement with Symantec for the Licensed Software and if You are provided the Licensed Software for evaluation purposes, the following terms and conditions shall apply. Symantec grants to You a nonexclusive, temporary, royalty-free, non-assignable license to use the Licensed Software solely for internal production evaluation. Such evaluation license shall terminate (i) on the end date of the pre-determined evaluation period, if an evaluation period is pre-determined in the Licensed Software or (ii) sixty (60) days from the date of Your initial installation of the Licensed Software, if no such evaluation period is pre-determined in the Licensed Software (“Evaluation Period”). The Licensed Software may not be transferred and is provided “AS IS” without warranty of any kind. You are solely responsible to take appropriate measures to back up Your system and take other measures to prevent any loss of files or data. The Licensed Software may contain an automatic disabling mechanism that prevents its use after a certain period of time. Upon expiration of the Licensed Software Evaluation Period, You will cease use of the Licensed Software and destroy all copies of the Licensed Software. All other terms and conditions of this License Agreement shall otherwise apply to Your evaluation of the Licensed Software as permitted herein.

13. U.S. GOVERNMENT RESTRICTED RIGHTS. The Licensed Software is deemed to be commercial computer software as defined in FAR 12.212 and subject to restricted rights as defined in FAR Section 52.227-19 “Commercial Computer Licensed Software -Restricted Rights” and DFARS 227.7202, “Rights in Commercial Computer Licensed Software or Commercial Computer Licensed Software Documentation”, as applicable, and any successor regulations. Any use, modification, reproduction release, performance, display or disclosure of the Licensed Software by the U.S. Government shall be solely in accordance with the terms of this License Agreement.

14. EXPORT REGULATION. You acknowledge that the Licensed Software and related technical data and services (collectively, “Controlled Technology”) are subject to the import and export laws of the United States, specifically the U.S. Export Administration Regulations (EAR), and the laws of any country where Controlled Technology is imported or re-exported. You agree to comply with all relevant laws and will not export any Controlled Technology in contravention to U.S. law nor to any prohibited country, entity, or person for which an export license or other governmental approval is required. All Symantec products, including the Controlled Technology are prohibited for export or re-export to Cuba, North Korea, Iran, Syria and Sudan and to any country subject to relevant trade sanctions. You hereby agree that You will not export or sell any Controlled Technology for use in connection with chemical, biological, or nuclear weapons, or missiles, drones or space launch vehicles capable of delivering such weapons.

15. TERMINATION. This License Agreement shall terminate upon Your breach of any term contained herein. Upon termination, You shall immediately stop using and destroy all copies of the Licensed Software.

16. SURVIVAL. The following provisions of this License Agreement survive termination of this License Agreement: Definitions,

17. GENERAL.

17.2. COMPLIANCE WITH APPLICABLE LAW. You are solely responsible for Your compliance with, and You agree to comply with, all applicable laws, rules, and regulations in connection with Your use of the Licensed Software.

17.3. AUDIT. An auditor, selected by Symantec and reasonably acceptable to You, may, upon reasonable notice and during normal business hours, but not more often than once each year, inspect Your records and deployment in order to confirm that Your use of the Licensed Software complies with this License Agreement and the applicable License Instrument. Symantec shall bear the costs of any such audit, except where the audit demonstrates that the Manufacturer’s Suggested Reseller Price (MSRP) value of Your non-compliant usage exceeds five percent (5%) of the MSRP value of Your compliant deployments. In such case, in addition to purchasing appropriate licenses for any over-deployed Licensed Software, You shall reimburse Symantec for the auditor’s reasonable actual fees for such audit.

17.4. GOVERNING LAW; SEVERABILITY; WAIVER. If You are located in North America or Latin America, this License Agreement will be governed by the laws of the State of California, United States of America. If You are located in China, this License Agreement will be governed by the laws of the People’s Republic of China. Otherwise, this License Agreement will be governed by the laws of England. Such governing laws are exclusive of any provisions of the United Nations Convention on Contracts for Sale ofGoods, including any amendments thereto, and without regard to principles of conflicts of law. If any provision of this License Agreement is found partly or wholly illegal or unenforceable, such provision shall be enforced to the maximum extent permissible, and remaining provisions of this License Agreement shall remain in full force and effect. A waiver of any breach or default under this License Agreement shall not constitute a waiver of any other subsequent breach or default.

17.5. THIRD PARTY PROGRAMS. This Licensed Software may contain third party software programs (“Third Party Programs”) that are available under open source or free software licenses. This License Agreement does not alter any rights or obligations You may have under those open source or free software licenses. Notwithstanding anything to the contrary contained in such licenses, the disclaimer of warranties and the limitation of liability provisions in this License Agreement shall apply to such Third Party Programs.

17.6. CUSTOMER SERVICE. Should You have any questions concerning this License Agreement, or if You desire to contact Symantec for any reason, please write to: (i) Symantec Enterprise Customer Care, 555 International Way, Springfield, Oregon 97477, U.S.A., (ii) Symantec Enterprise Customer Care Center, PO BOX 5689, Dublin 15, Ireland, or (iii) Symantec Enterprise Customer Care, 1 Julius Ave, North Ryde, NSW 2113, Australia.

17.7. ENTIRE AGREEMENT. This License Agreement and any related License Instrument are the complete and exclusive agreement between You and Symantec relating to the Licensed Software and supersede any previous or contemporaneous oral or written communications, proposals, and representations with respect to its subject matter. This License Agreement prevails over any conflicting or additional terms of any purchase order, ordering document, acknowledgement or confirmation or other document issued by You, even if signed and returned. This License Agreement may only be modified by a License Instrument that accompanies or follows this License Agreement.

18. ADDITIONAL TERMS AND CONDITIONS. Your use of the Licensed Software is subject to the terms and conditions below in addition to those stated above.

18.1 ADDITIONAL DEFINITIONS.
18.1A “Cold Disaster Recovery Equipment” means a server and/or processor or device on which the Licensed Software may be installed and configured under a Cold Disaster Recovery License, and which is not production use servicing transactions or requiring workloads during periods of Your normal internal business operations.

18.1B “Disaster” means an unforeseen occurrence causing the operation of the applicable systems on which the Licensed Software is used for Production Use, or the Licensed Software installed on such systems, to be substantially impaired or prevented, which occurrence may include but is not limited to fires, earthquakes, floods and computer viruses.

18.2 ADDITIONAL USE RIGHTS AND LIMITATIONS.

18.2.1 Clearwell Pre-Processing, Processing & Analysis and Review Module(s): If the License Instrument indicates that You have received a license for the Clearwell Pre-Processing, Processing & Analysis and Review module ("PPAR"), the Clearwell Pre-Processing, Processing & Analysis module ("PPA"), the Clearwell Pre-Processing Module or the Clearwell Review Module, You may use the Licensed Software for up to the number of Gigabytes or Terabytes of uncompressed data processed, analyzed and revised in active cases as indicated on your License Instrument. In addition, unless your License Instrument indicates you have purchased the Single Use Option, you may delete or archive existing cases in order to free up processing and analysis capacity for new cases, as long as the total data processed, analyzed and reviewed concurrently does not exceed the number of Gigabytes or Terabytes licensed as indicated on your License Instrument. If your License Instrument indicates you have purchased the Single Use Option, you may not delete or archive existing cases in order to free up processing and analysis capacity for new cases and each case, once processed, counts toward the overall number of Gigabytes or Terabytes licensed as indicated on your License Instrument. If You license more than one Module, Your license for each Module must be for the same amount of Gigabytes or Terabytes. If Your license is a subscription based license, Your usage is limited to the term specified in the License Instrument.

18.2.2 Identification & Collection Module. If the License Instrument indicates that You have received a license for the Clearwell Identification and Collection Module, You may use the Licensed Software for the number of Users as indicated on Your License Instrument. There is no limit on the number of different data sources that can be collected for a User. Also, there is no limit on the amount of data that can be identified and collected across the licensed number of Users. Once You are no longer actively identifying and collecting data for a User, You may replace that User with another User for purposes of determining the number of Users for whom You are using the Identification and Collection Module. Data connectors for desktops, laptops, Microsoft Exchange Server, Lotus Domino Server, Symantec Enterprise Vault and file shares are included. Additional fees will be incurred for data connectors that are licensed from other third parties or data collection repositories. If Your license is a subscription based license, Your usage is limited to the term specified in the License Instrument.

18.2.3 Legal Hold Module. If the License Instrument indicates that You have received a license for the Clearwell Legal Hold Module, You may use the Licensed Software for the number of Users as indicated on Your License Instrument. There is no limit on the number of notices an individual User may receive. Once a User is no longer on an active legal hold, You may replace that User with another User for purposes of determining the number of Users for whom You are using the Legal Hold Module. If Your license is a subscription based license, Your usage is limited to the term specified in the License Instrument.

18.3 PLATFORM REQUIREMENTS. As indicated in the License Instrument, the Products may be delivered to and deployed by You as the Clearwell eDiscovery Software Platform, or the Clearwell eDiscovery Hardware Platform.

18.3.1 Clearwell eDiscovery Software Platform: If the License Instrument indicates delivery as the Clearwell eDiscovery Software Platform, You are responsible for procuring your own hardware and Your use of the Software shall be limited to use on one Server (for the avoidance of doubt, You may transfer the Software from one Server to another, so long as it remains installed on only one Server at a time). In addition the Clearwell E-VMware Image is a VMware Image that provides a run-time image of the Licensed Software for VMware vSphere product. You are responsible for procuring and providing all third party hardware or software and associated support and maintenance, including without limitation for VMware’s vSphere product. You are responsible for procuring your own hardware and obtaining maintenance and support for such third party hardware and software.

18.3.2 Clearwell eDiscovery Hardware Platform: If the License Instrument indicates delivery as the Clearwell eDiscovery Hardware Platform, You may only use the Software as pre-loaded by Clearwell on the Hardware (for the avoidance of doubt, You may not deinstall, copy or transfer the Software to any other media or equipment). Clearwell eDiscovery Platform provides the Licensed Software pre-loaded on the hardware ("Hardware"). An annual Hardware support and maintenance fee is incurred with this delivery method. Notwithstanding the above, You may de-install the Software from the Hardware and transfer the Software to another hardware system that You have purchased from Symantec, or which You have provided, provided such hardware system complies with Symantec’s published requirements to support the Licensed Software. You may not transfer the Licensed Software to any other hardware except as enabled through Symantec’s then-current administrative processes and policies for license transfer.

18.4 EVALUATION AND LOANER UNITS. The following section will replace Section 12 above and govern Your use of any Evaluation or Loaner Units, as defined in this section 18.4. Symantec may provide You Product(s) designated either for evaluation purpose (each, an "Evaluation Unit") or short term loan (each, a "Loaner Unit"), as indicated by Symantec in writing. Your rights to use the applicable Evaluation Unit or Loaner Unit will be pursuant to the terms of your executed evaluation or loan agreement. If You do not have such an agreement with Symantec, the following terms and conditions shall apply to the Evaluation Unit(s) and/or Loaner Unit(s): Symantec grants to You a nonexclusive, temporary, royalty-free, non-assignable license to You to use Evaluation Units and Loaner Units only for the period of time ("Limited Term"), and for the use level enabled by the license key(s) provided by Symantec. Evaluation Units are provided to allow You to evaluate the features and functionality of the Software to determine whether You will purchase a longer-term license to use the Product Software in your production environment and may not be used in a production environment. There is no acquisition charge for Loaner Unit(s) during the Limited Term. Loaner Units may be provided as a convenience to customers who have already purchased a license for the Licensed Software contained on the Loaner Unit, and Your use of the Loaner Unit is limited to the same capacity and/or usage restrictions as apply to your purchased license of the Licensed Software. For example, if you purchase a license for the Clearwell Legal Hold Module for 10 Users, and You receive a Loaner Unit, Your use of the Loaner Unit is limited to 10 Users. For service providers, this includes applicable consumption-related reporting and fees which also apply. Also, during the Limited Term, You will not cause or permit Evaluation Unit(s) and/or Loaner Unit(s) to be moved from their original installation location without Symantec’s prior written consent. Maintenance/Support is not
included with Evaluation Unit(s) or Loaner Unit(s) under this Agreement; any assistance that Symantec may elect to provide for such Products hereunder is on an as-available, reasonable efforts basis without obligation. Maintenance/Support for Loaners for the Limited Term may be acquired by entering into a manually signed Loaner Agreement with Symantec. After expiration of the Limited Term, You must return Evaluation Unit(s) and/or Loaner Unit(s) promptly, and in their original received condition (absent reasonable wear and tear) to Symantec, at Your expense. If You do not return such items in a timely manner, then You agree Symantec may invoice You Symantec’s then-standard rates for each applicable Evaluation Unit or Loaner Unit, which shall be payable on terms net-30 from date of Symantec invoice. You also agree Symantec may invoice You on the same terms, for the replacement costs of any lost or damaged components of Evaluation Unit(s) and/or Loaner Unit(s). The Licensed Software may contain an automatic disabling mechanism that prevents its use after a certain period of time. Evaluation Units may not be used to process any live data or in any other production environment. Loaner Unit(s) and/or Evaluation Unit(s) are provided AS IS and with no warranty of any kind. You are solely responsible to take appropriate measures to back up Your system and take other measures to prevent any loss of files or data.

18.5 Section 2 of this License Agreement is hereby deleted in its entirety and replaced with the following:

“2. LICENCE GRANT. Subject to Your compliance with the terms and conditions of this License Agreement, Symantec grants to You the following non-exclusive, non-transferable (except as stated otherwise in Section 17.1) license rights:

a. You may use the Licensed Software solely in support of Your internal business operations in the quantities and at the Use Levels described in this License Agreement and the applicable License Instrument.

b. Provided that You have a currently effective maintenance/support contract for the Licensed Software, you may install the Licensed Software on Your Cold Disaster Recovery Equipment and (i) You may use such Licensed Software for Failover Readiness Testing purposes for up to a cumulative total of thirty (30) Testing Days in any twelve (12) month period, which use may be concurrent with Your authorized Production Use of the Licensed Software under Section 2(a), and (ii) in the event of a Disaster, You may use such Licensed Software for Production Use at the Use Levels described in this License Agreement and the applicable License Instrument, for a period of up to ninety (90) consecutive calendar days, provided however, such use may not be concurrent with Your regular Production Use of the Licensed Software under Section 2(a) and does not increase Your total number of licenses to the Licensed Software beyond those which You have purchased and which have been authorized by Symantec as indicated on the applicable License Instrument. The Licensed Software installed on Your Cold Disaster Recovery Equipment and used pursuant to the rights set forth in this subparagraph must be the same version of the Licensed Software You use for Your regular Production Use. In addition, the rights set forth in this subparagraph will automatically terminate in the event that You do not have a valid maintenance/support contract in effect for the Licensed Software.

c. You may make a single uninstalled copy of the Licensed Software for archival purposes.”

18.6 PRIVACY; DATA COLLECTION. The Licensed Software may collect some or all of the following information from the Hardware and/or Your system on which the Licensed Software is installed: case names, IP addresses, fully qualified file names and user names, product performance information, system memory monitoring statistics, logs for the Licensed Software listing errors, warnings and information messages (the “Collected Information”). The Collected Information is logged for troubleshooting and diagnostic purposes on Your system and is only sent to Symantec for purposes of enabling Symantec to fulfill a technical support request from You or Your network administrator. Symantec may correlate the Collected Information with other information about You or Your product usage to enable Symantec to fulfill Your technical support request. The information may be transferred to the Symantec group in the United States or other countries that may have less protective data protection laws than the region in which You are situated (including the European Union), but Symantec has taken steps so that the information, if transferred, receives an adequate level of protection. Any such information obtained by the Licensed Software will be maintained in a secure manner. Symantec may disclose the information if asked to do so by a law enforcement official as required or permitted by law or in response to a subpoena or other legal process.

18.7 ADDITIONAL LICENSE TERMS FOR EMBEDDED THIRD PARTY PROGRAMS. The Licensed Software may include some or all of the following components from other vendors (“Third Party Components”): These Third Party Components are licensed under the terms of this License Agreement plus the additional provisions specified below for each Component:

18.7.1 MySQL from Oracle Corporation: Your use of MySQL is limited to running the object code version of MySQL solely as integrated with, and for running and extracting data from, the Licensed Software, which may include without limitation Your use of the Licensed Software for purposes of providing services for Your customers. You may not copy MySQL onto any public or distributed network or use MySQL as a general SQL server, a standalone application or with applications other than the Licensed Software.

18.7.2 JRockit from Oracle Corporation. Your use of JRockit is limited to running the object code version of JRockit solely as integrated with, and for running the Licensed Software. You may not use JRockit with any applications other than the Licensed Software. Oracle Corporation is a third party beneficiary of this License Agreement with respect to provisions relating to use of the JRockit component, and such provisions are also enforceable by Oracle Corporation as a third party beneficiary.

18.7.3 Microsoft Office.

a. Your use of Microsoft Office is subject to the Microsoft License Terms for Products, set forth in Exhibit A to this EULA.

b. You hereby agree to Symantec providing information about You and Your purchase of the Licensed Software to Microsoft Corporation and its affiliates ("Microsoft") as required to enable Symantec to fulfill its reporting and payment obligations to Microsoft for the distribution of the Microsoft Office software.

c. The Microsoft Office product is not fault-tolerant and not guaranteed to be error free or to operate uninterrupted. The Microsoft Office product may not be used in any application or situation where the Microsoft Office Product failure could lead to death or serious bodily injury of any person, or to severe physical or environmental damage ("High Risk Use"). Examples of High Risk Use include, but are not limited to: aircraft or other modes of human mass transportation, nuclear or chemical facilities, life support
systems, implantable medical equipment, motor vehicles or weaponry systems. High Risk Use does not include utilization of Microsoft Office products for administrative purposes, to store configuration data, engineering and/or configuration tools, or other non-control applications, the failure of which would not result in death, personal injury or severe physical or environmental damage. These non-controlling applications may communicate with the applications that perform the control, but must not be directly or indirectly responsible for the control function. You agree to indemnify and hold harmless Microsoft from any third-party claim arising out of Your use of the Microsoft Office product in connection with any High Risk Use.

d. THE MICROSOFT OFFICE SOFTWARE IS PROVIDED TO YOU "AS IS" AND WITHOUT WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY WARRANTIES OF MERCHANTABILITY, NON-INFRINGEMENT OR FITNESS FOR A PARTICULAR PURPOSE.

MICROSOFT’S LIABILITY FOR DAMAGES HEREUNDER SHALL IN NO EVENT EXCEED ONE HUNDRED DOLLARS ($100).

f. In the event of a conflict between the terms of this License Agreement and the Microsoft License Terms, the Microsoft License Terms will control with respect to Your use of Microsoft Office.
Below are three separate sets of license terms. Only one set applies to you. To determine which license terms apply to you check the license designation printed either on your product key, near the product name on your Certificate of Authenticity, or on the download page if you obtained your product key online. If your designation is FPP, then the Retail License Terms below apply to you. If your designation is OEM, then the OEM License Terms below apply to you. If your designation is Product Key Card or PKC, then the Product Key Card License Terms below apply to you.

If you need assistance finding your license type, please go to: www.microsoft.com/office/eula to determine which license you have.

1. RETAIL LICENSE TERMS.
These license terms are an agreement between Microsoft Corporation (or based on where you live, one of its affiliates) and you. Please read them. They apply to the software named above, which includes the media on which you received it, if any. If you cannot obtain a refund there, contact Microsoft or the Microsoft affiliate serving your country for information about Microsoft's refund policies. See www.microsoft.com/worldwide. In the United States and Canada, call (800) MICROSOFT or see www.microsoft.com/info/nareturns.htm.

AS DESCRIBED BELOW, USING THE SOFTWARE ALSO OPERATES AS YOUR CONSENT TO THE TRANSMISSION OF CERTAIN COMPUTER INFORMATION DURING ACTIVATION, VALIDATION AND FOR INTERNET-BASED SERVICES.

IF YOU COMPLY WITH THESE LICENSE TERMS, YOU HAVE THE RIGHTS BELOW FOR EACH LICENSE YOU ACQUIRE.

1. OVERVIEW. The software is licensed on a per copy per device basis. A hardware partition or blade is considered to be a separate device.

2. INSTALLATION AND USE RIGHTS.
   a. One Copy per Device. You may install one copy of the software on one device. That device is the “licensed device.”
   b. Licensed Device. You may only use one copy of the software on the licensed device at a time.
   c. Portable Device. You may install another copy of the software on a portable device for use by the single primary user of the licensed device.
   d. Separation of Components. The components of the software are licensed as a single unit. You may not separate the components and install them on different devices.
   e. Alternative Versions. The software may include more than one version, such as 32-bit and 64-bit. You may install and use only one version at a time.

3. ADDITIONAL LICENSING REQUIREMENTS AND/OR USE RIGHTS.
   a. Multiplexing. Hardware or software you use to
      • pool connections,
      • reroute information, or
      • reduce the number of devices or users that directly access or use the software (sometimes referred to as “multiplexing” or “pooling”), does not reduce the number of licenses you need.
   b. Font Components. While the software is running, you may use its fonts to display and print content. You may only
      • embed fonts in content as permitted by the embedding restrictions in the fonts; and
      • temporarily download them to a printer or other output device to print content.
   c. Media Elements and Templates. You may have access to media images, clip art, animations, sounds, music, video clips, templates and other forms of content (“media elements”) provided with the software or as part of a service associated with the software. You may copy and use the media elements in projects and documents. You may not (i) sell, license or distribute copies of the media elements by themselves or as a product if the primary value of the product is the media elements; (ii) grant your customers rights to further
license or distribute the media elements; (iii) license or distribute for commercial purposes media elements that include the representation of identifiable individuals, governments, logos, trademarks, or emblems or use these types of images in ways that could imply an endorsement or association with your product, entity or activity; or (iv) create obscene or scandalous works using the media elements. For more information, go to www.microsoft.com/permission.

d. Use with Virtualization Technologies. Instead of using the software directly on the licensed device, you may install and use the software within only one virtual (or otherwise emulated) hardware system on the licensed device.

e. Remote Access. The single primary user of the licensed device may access and use the software installed on the licensed device remotely from any other device. You may allow others to access the software to provide you with support services. You do not need additional licenses for this access. No other person may use the software under the same license at the same time for any other purpose.

f. Development Tools. The software may contain Microsoft Visual Studio Tools for Applications or other development tools. You may use any development tools included in the software only to design, develop, test, use and demonstrate your programs with the software.

g. Language Version Selection. If you are provided with a one-time selection between language versions, without a language pack or LIP, you may use only the one language version you select. If you were not provided with a language selection, the language version will default to the language of your operating system or, if your operating system language is not available, to another available language. If you acquire a language pack or LIP, you may use the additional languages included in the language pack or LIP. A “LIP” is a Language Interface Pack. Language packs and LIPs offer additional language version support of the software. The language packs and LIPs are a part of the software and may not be used separately.

h. Trial and Conversion. Some or all of the software may be licensed on a trial basis. Your rights to use trial software are limited to the trial period. The trial software and length of the trial period are set forth during the activation process. You may have the option to convert your trial rights to subscription or perpetual rights. Conversion options will be presented to you at the expiration of your trial period. After the expiration of any trial period without conversion, most features of the trial software will stop running. At that time you can continue to open, view and print any documents you created with the trial software.

i. Subscription Software. If you licensed the software on a subscription basis, your rights to use the software are limited to the subscription period. You may have the option to extend your subscription or convert to a perpetual license. If you extend your subscription, you may continue using the software until the end of your extended subscription period. See the software activation screens or other accompanying materials for subscription details. After the expiration of your subscription, most features of the software will stop running. At that time you can continue to open, view and print any documents you created with the software.

4. MANDATORY ACTIVATION. Activation associates the use of the software with a specific device. During activation, the software will send information about the software and the device to Microsoft. This information includes the version, the license version, language and product key of the software, the Internet protocol address of the device, and information derived from the hardware configuration of the device. For more information, see www.microsoft.com/piracy/activation.mspx. BY USING THE SOFTWARE, YOU CONSENT TO THE TRANSMISSION OF THIS INFORMATION. If properly licensed, you have the right to use the version of the software installed during the installation process up to the time permitted for activation. UNLESS THE SOFTWARE IS ACTIVATED, YOU HAVE NO RIGHT TO USE THE SOFTWARE AFTER THE TIME PERMITTED FOR ACTIVATION. This is to prevent its unlicensed use. YOU ARE NOT PERMITTED TO BYPASS OR CIRCUMVENT ACTIVATION. You can activate the software by Internet or telephone. If you do so, Internet and telephone service charges may apply. Some changes to your computer components or the software may require you to reactivate the software. THE SOFTWARE WILL REMIND YOU TO ACTIVATE IT UNTIL YOU DO.

5. VALIDATION.

a. The software will from time to time request download of the validation feature of the software. Validation verifies that the software has been activated and is properly licensed. A validation check confirming that you are properly licensed permits you to use the software, certain features of the software or to obtain additional benefits. For more information, see www.microsoft.com/genuine/office/WhyValidate.aspx.

b. During or after a validation check, the software may send information about the software, the device and the results of the validation check to Microsoft. This information includes, for example, the version and product key of the software and the Internet protocol address of the licensed device. Microsoft does not use the information to identify or contact you. BY USING THE SOFTWARE, YOU CONSENT TO THE TRANSMISSION OF THIS INFORMATION. For more information about validation and what is sent during or after a validation check, see www.microsoft.com/genuine/office/PrivacyInfo.aspx.

c. If, after a validation check, the software is found to be counterfeit, improperly licensed, or a non-genuine Office product then the functionality or experience of using the software may be affected. For example, Microsoft may

- provide notice that the software is improperly licensed or a non-genuine Office product; and you may
- receive reminders to obtain a properly licensed copy of the software; or
- need to follow Microsoft’s instructions to be licensed to use the software and reactivate; and you may not be able to
- use or continue to use the software or some of the features of the software; or
- obtain certain updates or upgrades from Microsoft.

e. You may only obtain updates or upgrades for the software from Microsoft or authorized sources. For more information on obtaining

6. INTERNET-BASED SERVICES. Microsoft provides Internet-based services with the software. It may change or cancel them at any time.

a. Consent for Internet-Based Services. The software features described below and in the Office 2010 Privacy Statement connect to Microsoft or service provider computer systems over the Internet. In some cases, you will not receive a separate notice when they connect. In some cases, you may switch off these features or not use them. For more information about these features, see the Office 2010 Privacy Statement at r.office.microsoft.com/r/rlidOOClientPrivacyStatement14?clid=1033. BY USING THESE FEATURES, YOU CONSENT TO THE TRANSMISSION OF THIS INFORMATION. Microsoft does not use the information to identify or contact you. Computer Information. The following features use Internet protocols, which send to the appropriate systems computer information, such as your Internet protocol address, the type of operating system, browser and name and version of the software you are using, and the language code of the device where you installed the software. Microsoft uses this information to make the Internet-based services available to you.

• Web Content Features. Features in the software can retrieve related content from Microsoft and provide it to you. Examples of these features are clip art, templates, online training, online assistance and help. You may choose not to use these web content features.
• Digital Certificates. The software uses digital certificates. These digital certificates confirm the identity of Internet users sending X.509 standard encrypted information. They also can be used to digitally sign files and macros to verify the integrity and origin of the file contents. The software retrieves certificates and updates certificate revocation lists using the Internet, when available.
• SharePoint Workspace. If the software includes Microsoft SharePoint Workspace (“SharePoint Workspace”), SharePoint Workspace will allow you to communicate directly with others over the Internet. If you cannot communicate directly with a contact over the Internet, and your administrator uses Microsoft’s public server infrastructure, your communications will be encrypted and sent through Microsoft servers for later delivery. You cannot disable this service if your administrator uses Microsoft’s public server infrastructure. SharePoint Workspace makes some information about your SharePoint Workspace account and device known to your approved contacts. For example, if you:
  • add a contact to your contact list,
  • import your user account onto a new device,
  • update the information in your “identity contact”, or
  • send a SharePoint Workspace invitation using an URL to reference the invitation file, information about you and your devices may be sent to your contacts. If you configure SharePoint Workspace to use Microsoft servers, those servers will collect information about your device and user accounts.

b. Automatic Update. Software with Click-to-Run technology may periodically check with Microsoft for updates and supplements to the software. If found, these updates and supplements might be automatically downloaded and installed on your licensed device.

c. Use of Information. Microsoft may use the device information, error reports, and malware reports to improve our software and services. We may also share it with others, such as hardware and software vendors. They may use the information to improve how their products run with Microsoft software.

d. Misuse of Internet-based Services. You may not use these services in any way that could harm them or impair anyone else’s use of them. You may not use the services to try to gain unauthorized access to any service, data, account or network by any means.

7. SCOPE OF LICENSE. The software is licensed, not sold. This agreement only gives you some rights to use the features included in the software edition you licensed. Microsoft reserves all other rights. Unless applicable law gives you more rights despite this limitation, you may use the software only as expressly permitted in this agreement. In doing so, you must comply with any technical limitations in the software that only allow you to use it in certain ways. You may not
  • work around any technical limitations in the software;
  • reverse engineer, decompile or disassemble the software, except and only to the extent that applicable law expressly permits, despite this limitation;
  • make more copies of the software than specified in this agreement or allowed by applicable law, despite this limitation;
  • publish the software for others to copy;
  • use the software in any way that is against the law;
  • rent, lease or lend the software; or
  • use the software for commercial software hosting services.

8. BACKUP COPY.

a. Media. If you acquired the software on a disc or other media, you may make one backup copy of the media. You may use it only to reinstall the software on the licensed device.

b. Electronic Download. If you acquired and downloaded the software online, you may make one copy of the software on a disc or other media in order to install the software on the licensed device. You may also use it to reinstall the software on the licensed device.

c. Click-to-Run. If you acquired and downloaded software online with Click-to-Run technology, you will not be able to make a copy of the software on a disc or other media. Instead you may download the software online again only to reinstall the software on the licensed device.

9. DOCUMENTATION. Any person that has valid access to your licensed device or internal network may copy and use the
documentary for your internal, reference purposes.

To be a Qualified Military User, in the United States of America, you must be an authorized patron of the Armed Services Exchanges in accordance with applicable U.S. Federal statutes and regulations. 16. GEOGRAPHIC RESTRICTIONS. If the software is marked as requiring activation in a specific geographic region, then you are only permitted to activate this software in the geographic region indicated on the software packaging. You may not be able to activate the software outside of that region. For further information on geographic restrictions, visit go.microsoft.com/fwlink/?LinkId=141397.

17. UPGRADE OR CONVERSION. To upgrade or convert software, you must first be licensed for the software that is eligible for the upgrade or conversion. Upon upgrade or conversion, this agreement takes the place of the agreement for the software you upgraded or converted from. 18. PROOF OF LICENSE.

a. Genuine Proof of License. If you acquired the software on a disc or other media, your proof of license is the genuine Microsoft certificate of authenticity label with the accompanying genuine product key and your proof of purchase. 19. REASSIGN TO ANOTHER DEVICE. You may reassign the license to a different device any number of times, but not more than one time every 90 days. If you reassign, that other device becomes the "licensed device." If you retire the licensed device due to hardware failure, you may reassign the license sooner.

20. TRANSFER TO A THIRD PARTY. The first user of the software may make a one-time transfer of the software and this agreement, by transferring the genuine proof of license directly to a third party. The first user must remove the software before transferring it separately from the licensed device. The first user may not retain any copies of the software. Before any permitted transfer, the other party must agree that this agreement applies to the transfer and use of the software. If the software is an upgrade, any transfer must also include all prior versions of the software.
21. EXPORT RESTRICTIONS. The software is subject to United States export laws and regulations. You must comply with all
domestic and international export laws and regulations that apply to the software. These laws include restrictions on destinations, end
users and end use. For additional information, see www.microsoft.com/exporting.

22. SUPPORT SERVICES. Microsoft provides support services for the software as described at
www.support.microsoft.com/common/international.aspx.

23. ENTIRE AGREEMENT. This agreement (including the warranty below), any addendum or amendment included with the software,
and the terms for supplements, updates, Internet-based services and support services that you use, are the entire agreement for the
software and support services.

24. APPLICABLE LAW.
   a. United States. If you acquired the software in the United States, Washington state law governs the interpretation of this agreement
      and applies to claims for breach of it, regardless of conflict of laws principles. The laws of the state where you live govern all other
      claims, including claims under state consumer protection laws, unfair competition laws, and in tort.

   This limitation applies to
   • anything related to the software, services, content (including code) on third party Internet sites, or third party programs; and
   • claims for breach of contract, breach of warranty, guarantee or condition, strict liability, negligence, or other tort to the extent

   • Microsoft knew or should have known about the possibility of the damages.
   Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may
   not apply to you. They also may not apply to you because your country may not allow the exclusion or limitation of incidental,
   consequential or other damages.

At that time you can continue to open, view and print any documents you created with the software.

4. MANDATORY ACTIVATION. Activation associates the use of the software with a specific device. During activation, the software will send information about the software and the device to Microsoft. This information includes the version, the license version, language and product key of the software, the Internet protocol address of the device, and information derived from the hardware configuration of the device. For more information, see www.microsoft.com/piracy/activation.mspx. BY USING THE SOFTWARE, YOU CONSENT TO THE TRANSMISSION OF THIS INFORMATION. If properly licensed, you have the right to use the version of the software installed during the installation process up to the time permitted for activation. UNLESS THE SOFTWARE IS ACTIVATED, YOU HAVE NO RIGHT TO USE THE SOFTWARE AFTER THE TIME PERMITTED FOR ACTIVATION. This is to prevent its unlicensed use. YOU ARE NOT PERMITTED TO BYPASS OR CIRCUMVENT ACTIVATION. You can activate the software by Internet or telephone. If you do so, Internet and telephone service charges may apply. Some changes to your computer components or the software may require you to reactivate the software. THE SOFTWARE WILL REMIND YOU TO ACTIVATE IT UNTIL YOU DO.

5. VALIDATION.

a. The software will from time to time request download of the validation feature of the software. Validation verifies that the software has been activated and is properly licensed. A validation check confirming that you are properly licensed permits you to use the software, certain features of the software or to obtain additional benefits. For more information, see www.microsoft.com/genuine/office/WhyValidate.aspx.

b. During or after a validation check, the software may send information about the software, the device and the results of the validation check to Microsoft. This information includes, for example, the version and product key of the software and the Internet protocol address of the licensed device. Microsoft does not use the information to identify or contact you. BY USING THE SOFTWARE, YOU CONSENT TO THE TRANSMISSION OF THIS INFORMATION. For more information about validation and what is sent during or after a validation check, see www.microsoft.com/genuine/office/PrivacyInfo.aspx.

c. If, after a validation check, the software is found to be counterfeit, improperly licensed, or a non-genuine Office product then the functionality or experience of using the software may be affected. For example, Microsoft may

• provide notice that the software is improperly licensed or a non-genuine Office product; and you may

• receive reminders to obtain a properly licensed copy of the software; or

• need to follow Microsoft’s instructions to be licensed to use the software and reactivate;
and you may not be able to

• use or continue to use the software or some of the features of the software; or
• obtain certain updates or upgrades from Microsoft.

d. You may only obtain updates or upgrades for the software from Microsoft or authorized sources. For more information on obtaining updates from authorized sources, see www.microsoft.com/genuine/downloads/faq.aspx.

6. INTERNET-BASED SERVICES. Microsoft provides Internet-based services with the software. It may change or cancel them at any time.

a. Consent for Internet-Based Services. The software features described below and in the Office 2010 Privacy Statement connect to Microsoft or service provider computer systems over the Internet. In some cases, you will not receive a separate notice when they connect. In some cases, you may switch off these features or not use them. For more information about these features, see the Office 2010 Privacy Statement at r.office.microsoft.com/rrlidOClientPrivacyStatement14?clid=1033. BY USING THESE FEATURES, YOU CONSENT TO THE TRANSMISSION OF THIS INFORMATION. Microsoft does not use the information to identify or contact you. Computer Information. The following features use Internet protocols, which send to the appropriate systems computer information, such as your Internet protocol address, the type of operating system, browser and name and version of the software you are using, and the language code of the device where you installed the software. Microsoft uses this information to make the Internet-based services available to you.

• Web Content Features. Features in the software can retrieve related content from Microsoft and provide it to you. Examples of these features are clip art, templates, online training, online assistance and help. You may choose not to use these web content features.
• Digital Certificates. The software uses digital certificates. These digital certificates confirm the identity of Internet users sending X.509 standard encrypted information. They also can be used to digitally sign files and macros to verify the integrity and origin of the file contents. The software retrieves certificates and updates certificate revocation lists using the Internet, when available.
• SharePoint Workspace. If the software includes Microsoft SharePoint Workspace ("SharePoint Workspace"), SharePoint Workspace will allow you to communicate directly with others over the Internet. If you cannot communicate directly with a contact over the Internet, and your administrator uses Microsoft’s public server infrastructure, your communications will be encrypted and sent through Microsoft servers for later delivery. You cannot disable this service if your administrator uses Microsoft’s public server infrastructure. SharePoint Workspace makes some information about your SharePoint Workspace account and device known to your approved contacts. For example, if you:
  • add a contact to your contact list,
  • import your user account onto a new device,
  • update the information in your "identity contact", or
  • send a SharePoint Workspace invitation using an URL to reference the invitation file, information about you and your devices may be sent to your contacts. If you configure SharePoint Workspace to use Microsoft servers, those servers will collect information about your device and user accounts.
  
  b. Automatic Update. Software with Click-to-Run technology may periodically check with Microsoft for updates and supplements to the software. If found, these updates and supplements might be automatically downloaded and installed on your licensed device.

  c. Use of Information. Microsoft may use the device information, error reports, and malware reports to improve our software and services. We may also share it with others, such as hardware and software vendors. They may use the information to improve how their products run with Microsoft software.
  d. Misuse of Internet-based Services. You may not use these services in any way that could harm them or impair anyone else’s use of them. You may not use the services to try to gain unauthorized access to any service, data, account or network by any means.

7. SCOPE OF LICENSE. The software is licensed, not sold. This agreement only gives you some rights to use the features included in the software edition you licensed. The manufacturer or installer and Microsoft reserves all other rights. Unless applicable law gives you more rights despite this limitation, you may use the software only as expressly permitted in this agreement. You may not

• work around any technical limitations in the software;
• reverse engineer, decompile or disassemble the software, except and only to the extent that applicable law expressly permits, despite this limitation;
• use components of the software to run applications not running on the software;
• make more copies of the software than specified in this agreement or allowed by applicable law, despite this limitation;
• publish the software for others to copy;
• use the software in any way that is against the law;
• rent, lease or lend the software; or
• use the software for commercial software hosting services.

8. BACKUP COPY. You may make one backup copy of the software media. You may use it only to reinstall the software on the licensed device.

9. DOCUMENTATION. Any person that has valid access to your computer or internal network may copy and use the documentation for your internal, reference purposes.
10. NOT FOR RESALE SOFTWARE. You may not sell software marked as “NFR” or “Not for Resale.”

11. HOME AND STUDENT SOFTWARE. For software marked “Home and Student” edition, you may not use the software for commercial, non-profit, or revenue-generating activities.

12. GEOGRAPHIC RESTRICTIONS. If the software is marked as requiring activation in a specific geographic region, then you are only permitted to activate this software in the geographic region indicated on the software or computer packaging. You may not be able to activate the software outside of that region. For further information on geographic restrictions, visit go.microsoft.com/fwlink/?LinkId=141397.

13. UPGRADE OR CONVERSION. To upgrade or convert software, you must first be licensed for the software that is eligible for the upgrade or conversion. Upon upgrade or conversion, this agreement takes the place of the agreement for the software you upgraded or converted from. After you upgrade or convert, you may no longer use the software you upgraded or converted from.

14. PROOF OF LICENSE.
   a. Genuine Proof of License. If you acquired the software on a device, or on a disc or other media, a genuine Microsoft Certificate of Authenticity label with a genuine copy of the software identifies licensed software. To be valid, this label must be affixed to the device or appear on the manufacturer’s or installer’s packaging. If you receive the label separately, it is invalid. You should keep label on the device or the packaging that has the label on it to prove that you are licensed to use the software. If the device comes with more than one genuine Certificate of Authenticity label, you may use each version for the software identified on those labels.
   b. To identify genuine Microsoft software, see www.howtotell.com.

15. TRANSFER TO A THIRD PARTY. You may transfer the software directly to a third party only with the licensed device, the Certificate of Authenticity label, and this agreement. Before the transfer, that party must agree that this agreement applies to the transfer and use of the software. You may not retain any copies.

16. EXPORT RESTRICTIONS. The software is subject to United States export laws and regulations. You must comply with all domestic and international export laws and regulations that apply to the software. These laws include restrictions on destinations, end users and end use. For additional information, see www.microsoft.com/exporting.

17. SUPPORT SERVICES. For the software generally, contact the manufacturer or installer for support options. Refer to the support number provided with the software. For updates and supplements obtained directly from Microsoft, Microsoft provides support as described at www.support.microsoft.com/common/international.aspx. If you are using software that is not properly licensed, you will not be entitled to receive support services.

18. ENTIRE AGREEMENT. This agreement (including the warranty below), additional terms (including any printed-paper license terms that accompany the software and may modify or replace some or all of these terms), and the terms for supplements, updates, Internet-based services and support services that you use, are the entire agreement for the software and support services.

19. APPLICABLE LAW.
   a. United States. If you acquired the software in the United States, Washington state law governs the interpretation of this agreement and applies to claims for breach of it, regardless of conflict of laws principles. The laws of the state where you live govern all other claims, including claims under state consumer protection laws, unfair competition laws, and in tort.
   b. Outside the United States. If you acquired the software in any other country, the laws of that country apply.

20. LEGAL EFFECT. This agreement describes certain legal rights. You may have other rights under the laws of your state or country. You may also have rights with respect to the party from whom you acquired the software. This agreement does not change your rights under the laws of your state or country if the laws of your state or country do not permit it to do so.

21. LIMITATION ON AND EXCLUSION OF DAMAGES. EXCEPT FOR ANY REFUND THE MANUFACTURER OR INSTALLER MAY PROVIDE, YOU CANNOT RECOVER ANY OTHER DAMAGES, INCLUDING CONSEQUENTIAL, LOST PROFITS, SPECIAL, INDIRECT OR INCIDENTAL DAMAGES.

This limitation applies to
• anything related to the software, services, content (including code) on third party Internet sites, or third party programs; and
• claims for breach of contract, breach of warranty, guarantee or condition, strict liability, negligence, or other tort to the extent permitted by applicable law.
• It also applies even if
• repair, replacement or a refund for the software does not fully compensate you for any losses; or
• the manufacturer, installer, or Microsoft knew or should have known about the possibility of the damages.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. They also may not apply to you because your country may not allow the exclusion or limitation of incidental, consequential or other damages.

*******************************************************************************

LIMITED WARRANTY
A. LIMITED WARRANTY. If you follow the instructions and the software is properly licensed, the software will perform substantially as described in the Microsoft materials that you receive in or with the software.

B. TERM OF WARRANTY; WARRANTY RECIPIENT; LENGTH OF ANY IMPLIED WARRANTIES. THE LIMITED WARRANTY COVERS THE SOFTWARE FOR 90 DAYS AFTER ACQUIRED BY THE FIRST USER. IF YOU RECEIVE SUPPLEMENTS, UPDATES, OR REPLACEMENT SOFTWARE DURING THOSE 90 DAYS, THEY WILL BE COVERED FOR THE REMAINDER OF
THE WARRANTY OR 30 DAYS, WHICHERVER IS LONGER. If you transfer the software, the remainder of the warranty will apply to the recipient.

TO THE EXTENT PERMITTED BY LAW, ANY IMPLIED WARRANTIES, GUARANTEES OR CONDITIONS LAST ONLY DURING THE TERM OF THE LIMITED WARRANTY. Some states do not allow limitations on how long an implied warranty lasts, so these limitations may not apply to you. They also might not apply to you because some countries may not allow limitations on how long an implied warranty, guarantee or condition lasts.

C. EXCLUSIONS FROM WARRANTY. This warranty does not cover problems caused by your acts (or failures to act), the acts of others, or events beyond the reasonable control of the manufacturer or installer, or Microsoft.

D. REMEDY FOR BREACH OF WARRANTY. THE MANUFACTURER OR INSTALLER WILL, AT ITS ELECTION, EITHER (i) REPAIR OR REPLACE THE SOFTWARE AT NO CHARGE, OR (ii) ACCEPT RETURN OF THE PRODUCT(S) FOR A REFUND OF THE AMOUNT PAID, IF ANY. THE MANUFACTURER OR INSTALLER MAY ALSO REPAIR OR REPLACE SUPPLEMENTS, UPDATES AND REPLACEMENT SOFTWARE OR PROVIDE A REFUND OF THE AMOUNT YOU PAID FOR THEM. IF ANY CONTACT THE MANUFACTURER OR INSTALLER ABOUT ITS POLICY. THESE ARE YOUR ONLY REMEDIES FOR BREACH OF THE LIMITED WARRANTY.

E. CONSUMER RIGHTS NOT AFFECTED. YOU MAY HAVE ADDITIONAL CONSUMER RIGHTS UNDER YOUR LOCAL LAWS, WHICH THIS AGREEMENT CANNOT CHANGE.

F. WARRANTY PROCEDURES. Contact the manufacturer or installer to find out how to obtain warranty service for the software. For a refund, you must comply with the manufacturer’s or installer’s return policies.

G. NO OTHER WARRANTIES. THE LIMITED WARRANTY IS THE ONLY DIRECT WARRANTY FROM THE MANUFACTURER OR INSTALLER, OR MICROSOFT. THE MANUFACTURER, OR INSTALLER AND MICROSOFT GIVE NO OTHER EXPRESS WARRANTIES, GUARANTEES OR CONDITIONS. WHERE ALLOWED BY YOUR LOCAL LAWS, THE MANUFACTURER OR INSTALLER AND MICROSOFT EXCLUDE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT. If your local laws give you any implied warranties, guarantees or conditions, despite this exclusion, your remedies are described in the Remedy for Breach of Warranty clause above, to the extent permitted by your local laws.

H. LIMITATION ON AND EXCLUSION OF DAMAGES FOR BREACH OF WARRANTY. THE LIMITATION ON AND EXCLUSION OF DAMAGES CLAUSE ABOVE APPLIES TO BREACHES OF THIS LIMITED WARRANTY.

THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE. YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM COUNTRY TO COUNTRY.

3. PRODUCT KEY CARD TERMS

These license terms are an agreement between Microsoft Corporation (or based on where you live, one of its affiliates) and you. Please read them. They apply to the software which (i) was initially preinstalled on your device and (ii) which is named on the PRODUCT KEY CARD you have purchased in order to convert the trial rights into perpetual rights. The terms also apply to any Microsoft
• updates,
• supplements,
• Internet-based services, and
• support services
for this software, unless other terms accompany those items. If so, those terms apply.

IF YOU DO NOT ACCEPT THE LICENSE TERMS, DO NOT USE THE SOFTWARE. INSTEAD, RETURN YOUR PRODUCT KEY CARD TO YOUR PLACE OF PURCHASE FOR A REFUND OR CREDIT. If you cannot obtain a refund there, contact Microsoft or the Microsoft affiliate serving your country for information about Microsoft’s refund policies. See www.microsoft.com/worldwide. In the United States and Canada, call (800) MICROSOFT or see www.microsoft.com/info/nareturns.htm.

AS DESCRIBED BELOW, USING THE SOFTWARE ALSO OPERATES AS YOUR CONSENT TO THE TRANSMISSION OF CERTAIN COMPUTER INFORMATION DURING ACTIVATION, VALIDATION AND FOR INTERNET-BASED SERVICES.

IF YOU COMPLY WITH THESE LICENSE TERMS, YOU HAVE THE RIGHTS BELOW FOR EACH LICENSE YOU ACQUIRE.

1. OVERVIEW. The software is licensed on a per copy per device basis. A hardware partition or blade is considered to be a separate device.

2. INSTALLATION AND USE RIGHTS.
   a. One Copy per Device. The software license is permanently assigned to the device on which the software is initially activated. That device is the “licensed device.”
   b. Licensed Device. You may only use one copy of the software on the licensed device at a time.
   c. Separation of Components. The components of the software are licensed as a single unit. You may not separate the components and install them on different devices.
   d. Alternative Versions. The software may include more than one version, such as 32-bit and 64-bit. You may use only one version at one time.

3. ADDITIONAL LICENSING REQUIREMENTS AND/OR USE RIGHTS.
   a. Multiplexing. Hardware or software you use to
      • pool connections,
• reroute information, or
• reduce the number of devices or users that directly access or use the software
(sometimes referred to as “multiplexing” or “pooling”), does not reduce the number of licenses you need.

b. Font Components. While the software is running, you may use its fonts to display and print content. You may only
• embed fonts in content as permitted by the embedding restrictions in the fonts; and
• temporarily download them to a printer or other output device to help print content.

c. Media Elements and Templates. You may have access to media images, clip art, animations, sounds, music, video clips, templates and other forms of content (“media elements”) provided with the software or as part of a service associated with the software. You may copy and use the media elements in projects and documents. You may not (i) sell, license or distribute copies of the media elements by yourselves or as a product if the primary value of the product is the media elements; (ii) grant your customers rights to further license or distribute the media elements; (iii) license or distribute for commercial purposes media elements that include the representation of identifiable individuals, governments, logos, trademarks, or emblems or use these types of images in ways that could imply an endorsement or association with your product, entity or activity; or (iv) create obscene or scandalous works using the media elements. For more information, go to www.microsoft.com/permission.

d. Use with Virtualization Technologies. Instead of using the software directly on the licensed device, you may install and use the software within only one virtual (or otherwise emulated) hardware system on the licensed device.

e. Remote Access. The single primary user of the licensed device may access and use the software installed on the licensed device remotely from any other device. You may allow others to access the software to provide you with support services. You do not need additional licenses for this access. No other person may use the software under the same license at the same time for any other purpose.

f. Development Tools. The software may contain Microsoft Visual Studio Tools for Applications or other development tools. You may use any development tools included in the software only to design, develop, test, use and demonstrate your programs with the software.

g. Language Version Selection. If you are provided with a one-time selection between language versions, without a language pack or LIP, you may use only the one language version you select. If you were not provided with a language selection, the language version will default to the language of your operating system or, if your operating system language is not available, to another available language. If you are provided with a language pack or LIP, your use of language versions is not limited. A “LIP” is a Language Interface Pack. Language packs and LIPs offer additional language version support of the software. The language packs and LIPs are a part of the software, and may not be used separately.

h. Trial and Conversion. Some or all of the software may be licensed on a trial basis. Your rights to use trial software are limited to the trial period. The trial software and length of the trial period are set forth during the activation process. You may have the option to convert your trial rights to subscription or perpetual rights. Conversion options will be presented to you at the expiration of your trial period. After the expiration of any trial period without conversion, most features of the trial software will stop running. At that time you can continue to open, view and print any documents you created with the trial software.

i. Subscription Software. If you licensed the software on a subscription basis, your rights to use the software are limited to the subscription period. You may have the option to extend your subscription or convert to a perpetual license. If you extend your subscription, you may continue using the software until the end of your extended subscription period. See the software activation screens or other accompanying materials for subscription details. After the expiration of your subscription, most features of the software will stop running. At that time you can continue to open, view and print any documents you created with the trial software.

4. MANDATORY ACTIVATION. Activation associates the use of the software with a specific device. During activation, the software will send information about the software and the device to Microsoft. This information includes the version, the license version, language and product key of the software, the Internet protocol address of the device, and information derived from the hardware configuration of the device. For more information, see www.microsoft.com/piracy/activation.mspx. BY USING THE SOFTWARE, YOU CONSENT TO THE TRANSMISSION OF THIS INFORMATION. If properly licensed, you have the right to use the version of the software installed during the installation process up to the time permitted for activation. UNLESS THE SOFTWARE IS ACTIVATED, YOU HAVE NO RIGHT TO USE THE SOFTWARE AFTER THE TIME PERMITTED FOR ACTIVATION. This is to prevent its unlicensed use. YOU ARE NOT PERMITTED TO BYPASS OR CIRCUMVENT ACTIVATION. You can activate the software by Internet or telephone. If you do so, Internet and telephone service charges may apply. Some changes to your computer components or the software may require you to reactivate the software. THE SOFTWARE WILL REMIND YOU TO ACTIVATE IT UNTIL YOU DO.

5. VALIDATION.

a. The software will from time to time request download of the validation feature of the software. Validation verifies that the software has been activated and is properly licensed. A validation check confirming that you are properly licensed permits you to use the software, certain features of the software or to obtain additional benefits. For more information, see www.microsoft.com/genuine/office/WhyValidate.aspx.

b. During or after a validation check, the software may send information about the software, the device and the results of the validation check to Microsoft. This information includes, for example, the version and product key of the software and the Internet protocol address of the licensed device. Microsoft does not use the information to identify or contact you. BY USING THE SOFTWARE, YOU CONSENT TO THE TRANSMISSION OF THIS INFORMATION. For more information about validation and what is sent during or after a validation check, see www.microsoft.com/genuine/office/PrivacyInfo.aspx.

c. If, after a validation check, the software is found to be counterfeit, improperly licensed, or a non-genuine Office product then the functionality or experience of using the software may be affected. For example,
Microsoft may
- provide notice that the software is improperly licensed or a non-genuine Office product;
- and you may
  - receive reminders to obtain a properly licensed copy of the software; or
  - need to follow Microsoft’s instructions to be licensed to use the software and reactivate;
and you may not be able to
- use or continue to use the software or some of the features of the software; or
- obtain certain updates or upgrades from Microsoft.

d. You may only obtain updates or upgrades for the software from Microsoft or authorized sources. For more information on obtaining updates from authorized sources, see www.microsoft.com/genuine/downloads/faq.aspx.

6. INTERNET-BASED SERVICES. Microsoft provides Internet-based services with the software. It may change or cancel them at any time.

a. Consent for Internet-Based Services. The software features described below and in the Office 2010 Privacy Statement connect to Microsoft or service provider computer systems over the Internet. In some cases, you will not receive a separate notice when they connect. In some cases, you may switch off these features or not use them. For more information about these features, see the Office 2010 Privacy Statement at r.office.microsoft.com/r/rlidOOClientPrivacyStatement14?clid=1033. BY USING THESE FEATURES, YOU CONSENT TO THE TRANSMISSION OF THIS INFORMATION. Microsoft does not use the information to identify or contact you.

Computer Information. The following features use Internet protocols, which send to the appropriate systems computer information, such as your Internet protocol address, the type of operating system, browser and name and version of the software you are using, and the language code of the device where you installed the software. Microsoft uses this information to make the Internet-based services available to you.

- Web Content Features. Features in the software can retrieve related content from Microsoft and provide it to you. Examples of these features are clip art, templates, online training, online assistance and help. You may choose not to use these web content features.
- Digital Certificates. The software uses digital certificates. These digital certificates confirm the identity of Internet users sending X.509 standard encrypted information. They also can be used to digitally sign files and macros to verify the integrity and origin of the file contents. The software retrieves certificates and updates certificate revocation lists using the Internet, when available.
- SharePoint Workspace. If the software includes Microsoft SharePoint Workspace ("SharePoint Workspace"), SharePoint Workspace will allow you to communicate directly with others over the Internet. If you cannot communicate directly with a contact over the Internet, and your administrator uses Microsoft’s public server infrastructure, your communications will be encrypted and sent through Microsoft servers for later delivery. You cannot disable this service if your administrator uses Microsoft’s public server infrastructure. SharePoint Workspace makes some information about your SharePoint Workspace account and device known to your approved contacts. For example, if you:
  - add a contact to your contact list,
  - import your user account onto a new device,
  - update the information in your “identity contact”, or
  - send a SharePoint Workspace invitation using an URL to reference the invitation file, information about you and your devices may be sent to your contacts. If you configure SharePoint Workspace to use Microsoft servers, those servers will collect information about your device and user accounts.

b. Automatic Update. Software with Click-to-Run technology may periodically check with Microsoft for updates and supplements to the software. If found, these updates and supplements might be automatically downloaded and installed on your licensed device.

c. Use of Information. Microsoft may use the device information, error reports, and malware reports to improve our software and services. We may also share it with others, such as hardware and software vendors. They may use the information to improve how their products run with Microsoft software.

d. Misuse of Internet-based Services. You may not use these services in any way that could harm them or impair anyone else’s use of them. You may not use the services to try to gain unauthorized access to any service, data, account or network by any means.

7. SCOPE OF LICENSE. The software is licensed, not sold. This agreement only gives you some rights to use the features included in the software edition you licensed. Microsoft reserve reserves all other rights. Unless applicable law gives you more rights despite this limitation, you may use the software only as expressly permitted in this agreement. In doing so, you must comply with any technical limitations in the software that only allow you to use it in certain ways. You may not
- work around any technical limitations in the software;
- reverse engineer, decompile or disassemble the software, except and only to the extent that applicable law expressly permits, despite this limitation;
- make more copies of the software than specified in this agreement or allowed by applicable law, despite this limitation;
- publish the software for others to copy;
- use the software in any way that is against the law;
- use components of the software to run applications not running on the software;
- rent, lease or lend the software; or
8. BACKUP COPY. You may order or download a backup copy of the software from www.microsoft.com/office/backup/. You may not distribute the backup copy of the software. You may use it only to reinstall the software on the license device.

9. DOCUMENTATION. Any person that has valid access to your computer or internal network may copy and use the documentation for your internal, reference purposes.

10. NOT FOR RESALE SOFTWARE. You may not sell software marked as "NFR" or "Not for Resale."

11. HOME AND STUDENT SOFTWARE. For software marked "Home and Student" edition, you may not use the software for any commercial, non-profit, or revenue-generating activities.

12. GEOGRAPHIC RESTRICTIONS. If the software is marked as requiring activation in a specific geographic region, then you are only permitted to activate this software in the geographic region indicated on the software or computer packaging. You may not be able to activate the software outside of that region. For further information on geographic restrictions, visit go.microsoft.com/fwlink/?LinkId=141397.

13. UPGRADE OR CONVERSION. To upgrade or convert software, you must first be licensed for the software that is eligible for the upgrade or conversion. Upon upgrade or conversion, this agreement takes the place of the agreement for the software you upgraded or converted from. After you upgrade or convert, you may no longer use the software you upgraded or converted from.

14. PROOF OF LICENSE.

a. If you acquired the Product Key Card, your proof of license is the genuine Microsoft certificate of authenticity label with the accompanying genuine product key card and your proof of purchase from an authorized electronic supplier of genuine Microsoft software. To be valid, this label must be attached to the product key card. If you receive the label separately, it is invalid. Proof of purchase may be subject to verification by your merchant’s records.

b. To identify genuine Microsoft software, see www.howtowell.com.

15. TRANSFER TO A THIRD PARTY. You may transfer the software directly to a third party only with the licensed device, the Certificate of Authenticity label, and this agreement. Before the transfer, that party must agree that this agreement applies to the transfer and use of the software. You may not retain any copies.

16. EXPORT RESTRICTIONS. The software is subject to United States export laws and regulations. You must comply with all domestic and international export laws and regulations that apply to the software. These laws include restrictions on destinations, end users and end use. For additional information, see www.microsoft.com/exporting.

17. SUPPORT SERVICES. Microsoft provides support services for the software as described at www.support.microsoft.com/common/international.aspx. If you are using software that is not properly licensed, you will not be entitled to receive support services.

18. ENTIRE AGREEMENT. This agreement (including the warranty below), additional terms (including any printed-paper license terms that accompany the software, and may modify or replace some or all of these terms), and the terms for supplements, updates, Internet-based services and support services that you use, are the entire agreement for the software and support services.

19. APPLICABLE LAW.

a. United States. If you acquired the software in the United States, Washington state law governs the interpretation of this agreement and applies to claims for breach of it, regardless of conflict of laws principles. The laws of the state where you live govern all other claims, including claims under state consumer protection laws, unfair competition laws, and in tort.

b. Outside the United States. If you acquired the software in any other country, the laws of that country apply.

20. LEGAL EFFECT. This agreement describes certain legal rights. You may have other rights under the laws of your state or country. You may also have rights with respect to the party from whom you acquired the software. This agreement does not change your rights under the laws of your state or country if the laws of your state or country do not permit it to do so.

21. LIMITATION ON AND EXCLUSION OF DAMAGES. YOU CAN RECOVER FROM MICROSOFT AND ITS SUPPLIERS ONLY DIRECT DAMAGES UP TO THE AMOUNT YOU PAID FOR THE SOFTWARE. YOU CANNOT RECOVER ANY OTHER DAMAGES, INCLUDING CONSEQUENTIAL, LOST PROFITS, SPECIAL, INDIRECT OR INCIDENTAL DAMAGES.

This limitation applies to
• anything related to the software, services, content (including code) on third party Internet sites, or third party programs; and
• claims for breach of contract, breach of warranty, guarantee or condition, strict liability, negligence, or other tort to the extent permitted by applicable law.

It also applies even if
• repair, replacement or a refund for the software does not fully compensate you for any losses; or
• the manufacturer or installer, or Microsoft knew or should have known about the possibility of the damages.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. They also may not apply to you because your country may not allow the exclusion or limitation of incidental, consequential or other damages.

LIMITED WARRANTY

A. LIMITED WARRANTY. If you follow the instructions, the software will perform substantially as described in the Microsoft materials that you receive in or with the software.
B. TERM OF WARRANTY; WARRANTY RECIPIENT; LENGTH OF ANY IMPLIED WARRANTIES. THE LIMITED WARRANTY COVERS THE SOFTWARE FOR ONE YEAR AFTER ACQUIRED BY THE FIRST USER. IF YOU RECEIVE SUPPLEMENTS, UPDATES, OR REPLACEMENT SOFTWARE DURING THAT YEAR, THEY WILL BE COVERED FOR THE REMAINDER OF THE WARRANTY OR 30 DAYS, WHICHEVER IS LONGER. If the first user transfers the software, the remainder of the warranty will apply to the recipient.

TO THE EXTENT PERMITTED BY LAW, ANY IMPLIED WARRANTIES, GUARANTEES OR CONDITIONS LAST ONLY DURING THE TERM OF THE LIMITED WARRANTY. Some states do not allow limitations on how long an implied warranty lasts, so these limitations may not apply to you. They also might not apply to you because some countries may not allow limitations on how long an implied warranty, guarantee or condition lasts.

C. EXCLUSIONS FROM WARRANTY. This warranty does not cover problems caused by your acts (or failures to act), the acts of others, or events beyond Microsoft’s reasonable control.

D. REMEDY FOR BREACH OF WARRANTY. MICROSOFT WILL REPAIR OR REPLACE THE SOFTWARE AT NO CHARGE. IF MICROSOFT CANNOT REPAIR OR REPLACE IT, MICROSOFT WILL REFUND THE AMOUNT SHOWN ON YOUR RECEIPT FOR THE SOFTWARE. IT WILL ALSO REPAIR OR REPLACE SUPPLEMENTS, UPDATES AND REPLACEMENT SOFTWARE AT NO CHARGE. IF MICROSOFT CANNOT REPAIR OR REPLACE THEM, IT WILL REFUND THE AMOUNT YOU PAID FOR THEM, IF ANY. YOU MUST UNINSTALL THE SOFTWARE AND RETURN ANY MEDIA AND OTHER ASSOCIATED MATERIALS TO MICROSOFT WITH PROOF OF PURCHASE TO OBTAIN A REFUND. THESE ARE YOUR ONLY REMEDIES FOR BREACH OF THE LIMITED WARRANTY.

E. CONSUMER RIGHTS NOT AFFECTED. YOU MAY HAVE ADDITIONAL CONSUMER RIGHTS UNDER YOUR LOCAL LAWS, WHICH THIS AGREEMENT CANNOT CHANGE.
