

## SYMANTEC SOFTWARE LICENSE AGREEMENT

SYMANTEC CORPORATION AND/OR ITS AFFILIATES ("SYMANTEC") IS WILLING TO LICENSE THE LICENSED SOFTWARE TO YOU AS THE INDIVIDUAL, THE COMPANY, OR THE LEGAL ENTITY THAT WILL BE UTILIZING THE LICENSED SOFTWARE (REFERENCED BELOW AS "YOU" OR "YOUR") ONLY ON THE CONDITION THAT YOU ACCEPT ALL OF THE TERMS OF THIS LICENSE AGREEMENT ("LICENSE AGREEMENT"). READ THE TERMS AND CONDITIONS OF THIS LICENSE AGREEMENT CAREFULLY BEFORE USING THE LICENSED SOFTWARE. THIS IS A LEGAL AND ENFORCEABLE CONTRACT BETWEEN YOU AND SYMANTEC. BY OPENING THE LICENSED SOFTWARE PACKAGE, BREAKING THE LICENSED SOFTWARE SEAL, CLICKING THE "I AGREE" OR "YES" BUTTON, OR OTHERWISE INDICATING ASSENT ELECTRONICALLY, OR LOADING THE LICENSED SOFTWARE OR OTHERWISE USING THE LICENSED SOFTWARE, YOU AGREE TO THE TERMS AND CONDITIONS OF THIS LICENSE AGREEMENT. IF YOU DO NOT AGREE TO THESE TERMS AND CONDITIONS, CLICK THE "I DO NOT AGREE" OR "NO" BUTTON OR OTHERWISE INDICATE REFUSAL AND MAKE NO FURTHER USE OF THE LICENSED SOFTWARE. UNLESS OTHERWISE DEFINED HEREIN, CAPITALIZED TERMS WILL HAVE THE MEANING GIVEN IN THE "DEFINITIONS" SECTION OF THIS LICENSE AGREEMENT AND SUCH CAPITALIZED TERMS MAY BE USED IN THE SINGULAR OR IN THE PLURAL, AS THE CONTEXT REQUIRES.

### 1. DEFINITIONS.

**"Content Updates"** means content used by certain Symantec products which is updated from time to time, including but not limited to: updated anti-spyware definitions for anti-spyware products; updated antispyam rules for antispyam products; updated virus definitions for antivirus and crimeware products; updated URL lists for content filtering and antiphishing products; updated firewall rules for firewall products; updated intrusion detection data for intrusion detection products; updated lists of authenticated web pages for website authentication products; updated policy compliance rules for policy compliance products; and updated vulnerability signatures for vulnerability assessment products.

**"Documentation"** means the user documentation Symantec provides with the Licensed Software.

**"License Instrument"** means one or more of the following applicable documents which further defines Your license rights to the Licensed Software: a Symantec license certificate or a similar license document issued by Symantec, or a written agreement between You and Symantec, that accompanies, precedes or follows this License Agreement.

**"Licensed Software"** means the Symantec software product, in object code form, accompanying this License Agreement, including any Documentation included in, or provided for use with, such software or that accompanies this License Agreement.

**"Support Certificate"** means the certificate sent by Symantec confirming Your purchase of the applicable Symantec maintenance/support for the Licensed Software.

**"Upgrade"** means any version of the Licensed Software that has been released to the public and which replaces the prior version of the Licensed Software on Symantec's price list pursuant to Symantec's then-current upgrade policies.

**"Use Level"** means the license use meter or model (which may include operating system, hardware system, application or machine tier limitations, if applicable) by which Symantec measures, prices and licenses the right to use the Licensed Software, in effect at the time an order is placed for such Licensed Software, as indicated in this License Agreement and the applicable License Instrument.

2. **LICENSE GRANT.** Subject to Your compliance with the terms and conditions of this License Agreement, Symantec grants to You the following rights: (i) a non-exclusive, non-transferable (except as stated otherwise in Section 16.1) license to use the Licensed Software solely in support of Your internal business operations in the quantities and at the Use Levels described in this License Agreement and the applicable License Instrument; and (ii) the right to make a single uninstalled copy of the Licensed Software for archival purposes which You may use and install for disaster-recovery purposes (i.e. where the primary installation of the Licensed Software becomes unavailable for use).

2.1 **TERM.** The term of the Licensed Software license granted under this License Agreement shall be perpetual (subject to Section 14) unless stated otherwise in Section 17 or unless You have obtained the Licensed Software on a non-perpetual basis, such as, under a subscription or term-based license for the period of time indicated on the applicable License Instrument. If You have obtained the Licensed Software on a non-perpetual basis, Your rights to use such Licensed Software shall end on the applicable end date as indicated on the applicable License Instrument and You shall cease use of the Licensed Software as of such applicable end date.

3. **LICENSE RESTRICTIONS.** You may not, without Symantec's prior written consent, conduct, cause or permit the: (i) use, copying, modification, rental, lease, sublease, sublicense, or transfer of the Licensed Software except as expressly provided in this License Agreement; (ii) creation of any derivative works based on the Licensed Software; (iii) reverse engineering, disassembly, or decompiling of the Licensed Software (except that You may decompile the Licensed Software for the purposes of interoperability only to the extent permitted by and subject to strict compliance under applicable law); (iv) use of

the Licensed Software in connection with service bureau, facility management, timeshare, service provider or like activity whereby You operate or use the Licensed Software for the benefit of a third party; (v) use of the Licensed Software by any party other than You; (vi) use of a later version of the Licensed Software other than the version that accompanies this License Agreement unless You have separately acquired the right to use such later version through a License Instrument or Support Certificate; nor (vii) use of the Licensed Software above the quantity and Use Level that have been licensed to You under this License Agreement or the applicable License Instrument.

4. **OWNERSHIP/TITLE.** The Licensed Software is the proprietary property of Symantec or its licensors and is protected by copyright law. Symantec and its licensors retain any and all rights, title and interest in and to the Licensed Software, including in all copies, improvements, enhancements, modifications and derivative works of the Licensed Software. Your rights to use the Licensed Software shall be limited to those expressly granted in this License Agreement. All rights not expressly granted to You are retained by Symantec and/or its licensors.

5. **CONTENT UPDATES.** If You purchase a Symantec maintenance/support offering consisting of or including Content Updates, as indicated on Your Support Certificate, You are granted the right to use, as part of the Licensed Software, such Content Updates as and when they are made generally available to Symantec's end user customers who have purchased such maintenance/support offering and for such period of time as indicated on the face of the applicable Support Certificate. This License Agreement does not otherwise permit You to obtain and use Content Updates.

6. **UPGRADES/CROSS-GRADES.** Symantec reserves the right to require that any upgrades (if any) of the Licensed Software may only be obtained in a quantity equal to the number indicated on the applicable License Instrument. An upgrade to an existing license shall not be deemed to increase the number of licenses which You are authorized to use. Additionally, if You upgrade a Licensed Software license, or purchase a Licensed Software license listed on the applicable License Instrument to cross-grade an existing license (i.e. to increase its functionality, and/or transfer it to a new operating system, hardware tier or licensing meter), then Symantec issues the applicable Licensed Instrument based on the understanding that You agree to cease using the original license. Any such license upgrade or cross-grade is provided under Symantec's policies in effect at the time of order. This License Agreement does not separately license You for additional licenses beyond those which You have purchased, and which have been authorized by Symantec as indicated on the applicable License Instrument.

7. **LIMITED WARRANTY.**

7.1. **MEDIA WARRANTY.** If Symantec provides the Licensed Software to You on tangible media, Symantec warrants that the magnetic media upon which the Licensed Software is recorded will not be defective under normal use, for a period of ninety (90) days from delivery. Symantec will replace any defective media returned to Symantec within the warranty period at no charge to You. The above warranty is inapplicable in the event the Licensed Software media becomes defective due to unauthorized use of the Licensed Software. **THE FOREGOING IS YOUR SOLE AND EXCLUSIVE REMEDY FOR SYMANTEC'S BREACH OF THIS WARRANTY.**

7.2. **PERFORMANCE WARRANTY.** Symantec warrants that the Licensed Software, as delivered by Symantec and when used in accordance with the Documentation, will substantially conform to the Documentation for a period of ninety (90) days from delivery. If the Licensed Software does not comply with this warranty and such non-compliance is reported by You to Symantec within the ninety (90) day warranty period, Symantec will do one of the following, selected at Symantec's reasonable discretion: either (i) repair the Licensed Software, (ii) replace the Licensed Software with software of substantially the same functionality, or (iii) terminate this License Agreement and refund the relevant license fees paid for such non-compliant Licensed Software. The above warranty specifically excludes defects resulting from accident, abuse, unauthorized repair, modifications or enhancements, or misapplication. **THE FOREGOING IS YOUR SOLE AND EXCLUSIVE REMEDY FOR SYMANTEC'S BREACH OF THIS WARRANTY.**

8. **WARRANTY DISCLAIMERS.** TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE WARRANTIES SET FORTH IN SECTIONS 7.1 AND 7.2 ARE YOUR EXCLUSIVE WARRANTIES AND ARE IN LIEU OF ALL OTHER WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, SATISFACTORY QUALITY, FITNESS FOR A PARTICULAR PURPOSE, AND NONINFRINGEMENT OF INTELLECTUAL PROPERTY RIGHTS. SYMANTEC MAKES NO WARRANTIES OR REPRESENTATIONS THAT THE LICENSED SOFTWARE, CONTENT UPDATES OR UPGRADES WILL MEET YOUR REQUIREMENTS OR THAT OPERATION OR USE OF THE LICENSED SOFTWARE, CONTENT UPDATES, AND UPGRADES WILL BE UNINTERRUPTED OR ERROR-FREE. YOU MAY HAVE OTHER WARRANTY RIGHTS, WHICH MAY VARY FROM STATE TO STATE AND COUNTRY TO COUNTRY.

9. **LIMITATION OF LIABILITY.** TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW AND REGARDLESS OF WHETHER ANY REMEDY SET FORTH HEREIN FAILS OF ITS ESSENTIAL PURPOSE, IN NO EVENT WILL SYMANTEC OR ITS LICENSORS, RESELLERS, SUPPLIERS OR AGENTS BE LIABLE TO YOU FOR (i) ANY COSTS OF PROCUREMENT OF SUBSTITUTE OR REPLACEMENT GOODS AND SERVICES, LOSS OF PROFITS, LOSS OF USE, LOSS OF OR CORRUPTION TO DATA, BUSINESS INTERRUPTION, LOSS OF PRODUCTION, LOSS OF REVENUES, LOSS OF CONTRACTS, LOSS OF GOODWILL, OR ANTICIPATED SAVINGS OR WASTED MANAGEMENT AND STAFF TIME; OR (ii) ANY SPECIAL, CONSEQUENTIAL, INCIDENTAL OR INDIRECT DAMAGES WHETHER ARISING DIRECTLY

OR INDIRECTLY OUT OF THIS LICENSE AGREEMENT, EVEN IF SYMANTEC OR ITS LICENSORS, RESELLERS, SUPPLIERS OR AGENTS HAS BEEN ADVISED SUCH DAMAGES MIGHT OCCUR. IN NO CASE SHALL SYMANTEC'S LIABILITY EXCEED THE FEES YOU PAID FOR THE LICENSED SOFTWARE GIVING RISE TO THE CLAIM. NOTHING IN THIS AGREEMENT SHALL OPERATE SO AS TO EXCLUDE OR LIMIT SYMANTEC'S LIABILITY TO YOU FOR DEATH OR PERSONAL INJURY ARISING OUT OF NEGLIGENCE OR FOR ANY OTHER LIABILITY WHICH CANNOT BE EXCLUDED OR LIMITED BY LAW. THE DISCLAIMERS AND LIMITATIONS SET FORTH ABOVE WILL APPLY REGARDLESS OF WHETHER OR NOT YOU ACCEPT THE LICENSED SOFTWARE, CONTENT UPDATES OR UPGRADES.

10. **MAINTENANCE/SUPPORT.** Symantec has no obligation under this License Agreement to provide maintenance/support for the Licensed Software. Any maintenance/support purchased for the Licensed Software is subject to Symantec's then-current maintenance/support policies.

11. **SOFTWARE EVALUATION.** If the Licensed Software is provided to You for evaluation purposes and You have an evaluation agreement with Symantec for the Licensed Software, Your rights to evaluate the Licensed Software will be pursuant to the terms of such evaluation agreement. If You do not have an evaluation agreement with Symantec for the Licensed Software and if You are provided the Licensed Software for evaluation purposes, the following terms and conditions shall apply. Symantec grants to You a nonexclusive, temporary, royalty-free, non-assignable license to use the Licensed Software solely for internal non-production evaluation. Such evaluation license shall terminate (i) on the end date of the pre-determined evaluation period, if an evaluation period is pre-determined in the Licensed Software or (ii) sixty (60) days from the date of Your initial installation of the Licensed Software, if no such evaluation period is pre-determined in the Licensed Software ("Evaluation Period"). The Licensed Software may not be transferred and is provided "AS IS" without warranty of any kind. You are solely responsible to take appropriate measures to back up Your system and take other measures to prevent any loss of files or data. The Licensed Software may contain an automatic disabling mechanism that prevents its use after a certain period of time. Upon expiration of the Licensed Software Evaluation Period, You will cease use of the Licensed Software and destroy all copies of the Licensed Software. All other terms and conditions of this License Agreement shall otherwise apply to Your evaluation of the Licensed Software as permitted herein.

12. **U.S. GOVERNMENT RESTRICTED RIGHTS.** The Licensed Software is deemed to be commercial computer software as defined in FAR 12.212 and subject to restricted rights as defined in FAR Section 52.227-19 "Commercial Computer Licensed Software - Restricted Rights" and DFARS 227.7202, "Rights in Commercial Computer Licensed Software or Commercial Computer Licensed Software Documentation", as applicable, and any successor regulations. Any use, modification, reproduction release, performance, display or disclosure of the Licensed Software by the U.S. Government shall be solely in accordance with the terms of this License Agreement.

13. **EXPORT REGULATION.** You acknowledge that the Licensed Software and related technical data and services (collectively "Controlled Technology") are subject to the import and export laws of the United States, specifically the U.S. Export Administration Regulations (EAR), and the laws of any country where Controlled Technology is imported or re-exported. You agree to comply with all relevant laws and will not to export any Controlled Technology in contravention to U.S. law nor to any prohibited country, entity, or person for which an export license or other governmental approval is required. All Symantec products, including the Controlled Technology are prohibited for export or re-export to Cuba, North Korea, Iran, Syria and Sudan and to any country subject to relevant trade sanctions. You hereby agree that You will not export or sell any Controlled Technology for use in connection with chemical, biological, or nuclear weapons, or missiles, drones or space launch vehicles capable of delivering such weapons.

14. **TERMINATION.** This License Agreement shall terminate upon Your breach of any term contained herein. Upon termination, You shall immediately stop using and destroy all copies of the Licensed Software.

15. **SURVIVAL.** The following provisions of this License Agreement survive termination of this License Agreement: Definitions, License Restrictions and any other restrictions on use of intellectual property, Ownership/Title, Warranty Disclaimers, Limitation of Liability, U.S. Government Restricted Rights, Export Regulation, Survival, and General.

16. **GENERAL.**

16.1. **ASSIGNMENT.** You may not assign the rights granted hereunder or this License Agreement, in whole or in part and whether by operation of contract, law or otherwise, without Symantec's prior express written consent.

16.2. **COMPLIANCE WITH APPLICABLE LAW.** You are solely responsible for Your compliance with, and You agree to comply with, all applicable laws, rules, and regulations in connection with Your use of the Licensed Software.

16.3. **AUDIT.** An auditor, selected by Symantec and reasonably acceptable to You, may, upon reasonable notice and during normal business hours, but not more often than once each year, inspect Your records and deployment in order to confirm that Your use of the Licensed Software complies with this License Agreement and the applicable License Instrument. Symantec shall bear the costs of any such audit, except where the audit demonstrates that the Manufacturer's Suggested Reseller Price (MSRP) value of Your non-compliant usage exceeds five percent (5%) of the MSRP value of Your compliant deployments. In

such case, in addition to purchasing appropriate licenses for any over-deployed Licensed Software, You shall reimburse Symantec for the auditor's reasonable actual fees for such audit.

16.4. **GOVERNING LAW; SEVERABILITY; WAIVER.** If You are located in North America or Latin America, this License Agreement will be governed by the laws of the State of California, United States of America. If you are located in China, this License Agreement will be governed by the laws of the Peoples Republic of China. Otherwise, this License Agreement will be governed by the laws of England. Such governing laws are exclusive of any provisions of the United Nations Convention on Contracts for Sale of Goods, including any amendments thereto, and without regard to principles of conflicts of law. If any provision of this License Agreement is found partly or wholly illegal or unenforceable, such provision shall be enforced to the maximum extent permissible, and remaining provisions of this License Agreement shall remain in full force and effect. A waiver of any breach or default under this License Agreement shall not constitute a waiver of any other subsequent breach or default.

16.5. **THIRD PARTY PROGRAMS.** This Licensed Software may contain third party software programs ("Third Party Programs") that are available under open source or free software licenses. This License Agreement does not alter any rights or obligations You may have under those open source or free software licenses. Notwithstanding anything to the contrary contained in such licenses, the disclaimer of warranties and the limitation of liability provisions in this License Agreement shall apply to such Third Party Programs.

16.6. **CUSTOMER SERVICE.** Should You have any questions concerning this License Agreement, or if You desire to contact Symantec for any reason, please write to: (i) Symantec Enterprise Customer Care, 555 International Way, Springfield, Oregon 97477, U.S.A., (ii) Symantec Enterprise Customer Care Center, PO BOX 5689, Dublin 15, Ireland, or (iii) Symantec Enterprise Customer Care, 1 Julius Ave, North Ryde, NSW 2113, Australia.

16.7. **ENTIRE AGREEMENT.** This License Agreement and any related License Instrument are the complete and exclusive agreement between You and Symantec relating to the Licensed Software and supersede any previous or contemporaneous oral or written communications, proposals, and representations with respect to its subject matter. This License Agreement prevails over any conflicting or additional terms of any purchase order, ordering document, acknowledgement or confirmation or other document issued by You, even if signed and returned. This License Agreement may only be modified by a License Instrument that accompanies or follows this License Agreement.

17. **ADDITIONAL TERMS AND CONDITIONS.** Your use of the Licensed Software is subject to the terms and conditions below in addition to those stated above.

17.1 **ADDITIONAL DEFINITIONS.**

- **Processor:** For purposes of this License Agreement, A Processor, also referred to as a "CPU", is defined as the logic circuitry that responds to and processes the instructions that run a computer and/or that accesses or runs the software. Each processor may be comprised of multiple processing cores which may each independently act as individual processors. When indicated by Symantec that the Processor is licensed on a per-core basis, the number of processors shall be counted as the total number of cores such that a processor with "x" cores is counted as "x" processors.
- **Server Bundle:** For purposes of this License Agreement, a Server Bundle consists of a license to use the Licensed Software on up to two (2) CPUs with either one CPU per Server or both CPUs on one Server, where both Servers reside in the same Cluster.
- **Server:** For purposes of this License Agreement, A Server is defined as a standalone system or an individual computer acting as a service or resource provider to client computers by sharing the resources within the network infrastructure. A Server can run server software for other computers or devices.
- **Cluster:** For purposes of this License Agreement, a computer cluster is a group of linked computers, working together closely so that in many respects they form a single computer. The components of a cluster are commonly, but not always, connected to each other through fast local area networks. Clusters are usually deployed to improve performance and/or availability over that provided by a single computer, while typically being much more cost-effective than single computers of comparable speed or availability.
- **Terabyte:** For purposes of this license Agreement, a Terabyte is defined as the total aggregate amount of uncompressed data storage capacity and/or computer memory that is managed by the software. One Terabyte is equal to 1,024 gigabytes of data.

17.2A **ADDITIONAL USE RIGHTS AND LIMITATIONS.**

17.2A (a) If You are purchasing the Enterprise Edition of the Licensed Software, You may use the Licensed Software (i) on no more than the number of Processors as licensed to You by Symantec herein and as indicated in the applicable License Instrument and (ii) to manage no more than the Terabytes of data as

licensed to You by Symantec herein and as indicated in the applicable License Instrument. Your License Instrument shall constitute proof of Your right to make and use such copies.

17.2A (b) If You are purchasing the Standard Edition of the Licensed Software, You may use the Licensed Software (i) on no more than the number of Server Bundles as licensed to You by Symantec herein and as indicated in the applicable License Instrument; and (ii) to manage no more than the Terabytes of data as licensed to You by Symantec herein and as indicated in the applicable License Instrument. Your License Instrument shall constitute proof of Your right to make and use such copies.

17.2A (c) In addition, if You have purchased the Symantec FileStore Replication Option (the "Replication Option") for use with the Standard Edition of the Licensed Software, You may use the Replication Option on no more than the number of Clusters as licensed to You by Symantec herein and as indicated in the applicable License Instrument. Your License Instrument shall constitute proof of Your right to make and use such copies.

17.2A (d) If You are purchasing the Data Archive Retention (DAR) option (the "DAR Option") with either the Enterprise Edition or the Standard Edition of the Licensed Software, You may use the DAR Option for up to the number of Terabyte(s) as licensed to You by Symantec for DAR herein and as indicated in the applicable License Instrument. Your License Instrument shall constitute proof of Your right to make and use such copies. For purposes of clarification, the number of Terabyte(s) licensed for use as DAR may be less than the overall number of Terabytes licensed for use with the Licensed Software.

**17.2B Cold Site/Disaster Recovery provisions for High Availability or System or Data Recovery Products.**

Section 2 of this License Agreement is hereby deleted in its entirety and replaced with the following:

"2. **LICENSE GRANT.** Subject to Your compliance with the terms and conditions of this License Agreement, Symantec grants to You the following rights: (i) a non-exclusive, non-transferable (except as stated otherwise in Section 16.1) license to use the Licensed Software solely in support of Your internal business operations in the quantities and at the Use Levels described in this License Agreement and the applicable License Instrument; and (ii) the right to make a single uninstalled copy of the Licensed Software for archival purposes."

**17.3 PRIVACY; DATA COLLECTION.**

You may be requested to submit to Symantec through the Licensed Software the user name, password, and IP address for Your system on which the Licensed Software is installed, as well as Your email address (optional), for the purpose of enabling Symantec to fulfill a technical support request from You or Your network administrator. This information will only be transmitted to Symantec if manually submitted by You or Your network administrator as part of a technical support request. If transmitted to Symantec, the information will be used only for the purpose of fulfilling the corresponding technical support request. The information may be transferred to the Symantec group in the United States or other countries that may have less protective data protection laws than the region in which you are situated (including the European Union), but Symantec has taken steps so that the information, if transferred, receives an adequate level of protection. Any such information submitted by You or Your network administrator will be maintained in a secure manner, and will not be correlated with any other personally identifiable information. Symantec may disclose the information if asked to do so by a law enforcement official as required or permitted by law or in response to a subpoena or other legal process.

## **NOTICE of GPL SOFTWARE**

This product also includes the Linux Operating System which is primarily licensed under the General Public License v2.0 or GPL. If you choose to install and use the Linux Operating System, the GPL will govern your use of the Linux Operating System. The above license from Symantec does not apply to the Linux Operating System.

Source Code for the Linux Operating System included with this product is available from Symantec at <http://www.symantec.com/support/index.jsp> in the Technical Notes related to this product.

## **GNU GENERAL PUBLIC LICENSE**

Version 2, June 1991

Copyright (C) 1989, 1991 Free Software Foundation, Inc.  
51 Franklin Street, Fifth Floor, Boston, MA 02110-1301, USA

Everyone is permitted to copy and distribute verbatim copies of this license document, but changing it is not allowed.

### **Preamble**

The licenses for most software are designed to take away your freedom to share and change it. By contrast, the GNU General Public License is intended to guarantee your freedom to share and change free software--to make sure the software is free for all its users. This General Public License applies to most of the Free Software Foundation's software and to any other program whose authors commit to using it. (Some other Free Software Foundation software is covered by the GNU Lesser General Public License instead.) You can apply it to your programs, too.

When we speak of free software, we are referring to freedom, not price. Our General Public Licenses are designed to make sure that you have the freedom to distribute copies of free software (and charge for this service if you wish), that you receive source code or can get it if you want it, that you can change the software or use pieces of it in new free programs; and that you know you can do these things.

To protect your rights, we need to make restrictions that forbid anyone to deny you these rights or to ask you to surrender the rights. These restrictions translate to certain responsibilities for you if you distribute copies of the software, or if you modify it.

For example, if you distribute copies of such a program, whether gratis or for a fee, you must give the recipients all the rights that you have. You must make sure that they, too, receive or can get the source code. And you must show them these terms so they know their rights.

We protect your rights with two steps: (1) copyright the software, and (2) offer you this license which gives you legal permission to copy, distribute and/or modify the software.

Also, for each author's protection and ours, we want to make certain that everyone understands that there is no warranty for this free software. If the software is modified by someone else and passed on, we want its recipients to know that what they have is not the original, so that any problems introduced by others will not reflect on the original authors' reputations.

Finally, any free program is threatened constantly by software patents. We wish to avoid the danger that redistributors of a free program will individually obtain patent licenses, in effect making the program

proprietary. To prevent this, we have made it clear that any patent must be licensed for everyone's free use or not licensed at all.

The precise terms and conditions for copying, distribution and modification follow.

#### **TERMS AND CONDITIONS FOR COPYING, DISTRIBUTION AND MODIFICATION**

**0.** This License applies to any program or other work which contains a notice placed by the copyright holder saying it may be distributed under the terms of this General Public License. The "Program", below, refers to any such program or work, and a "work based on the Program" means either the Program or any derivative work under copyright law: that is to say, a work containing the Program or a portion of it, either verbatim or with modifications and/or translated into another language. (Hereinafter, translation is included without limitation in the term "modification".) Each licensee is addressed as "you".

Activities other than copying, distribution and modification are not covered by this License; they are outside its scope. The act of running the Program is not restricted, and the output from the Program is covered only if its contents constitute a work based on the Program (independent of having been made by running the Program). Whether that is true depends on what the Program does.

**1.** You may copy and distribute verbatim copies of the Program's source code as you receive it, in any medium, provided that you conspicuously and appropriately publish on each copy an appropriate copyright notice and disclaimer of warranty; keep intact all the notices that refer to this License and to the absence of any warranty; and give any other recipients of the Program a copy of this License along with the Program.

You may charge a fee for the physical act of transferring a copy, and you may at your option offer warranty protection in exchange for a fee.

**2.** You may modify your copy or copies of the Program or any portion of it, thus forming a work based on the Program, and copy and distribute such modifications or work under the terms of Section 1 above, provided that you also meet all of these conditions:

- a)** You must cause the modified files to carry prominent notices stating that you changed the files and the date of any change.
- b)** You must cause any work that you distribute or publish, that in whole or in part contains or is derived from the Program or any part thereof, to be licensed as a whole at no charge to all third parties under the terms of this License.
- c)** If the modified program normally reads commands interactively when run, you must cause it, when started running for such interactive use in the most ordinary way, to print or display an announcement including an appropriate copyright notice and a notice that there is no warranty (or else, saying that you provide a warranty) and that users may redistribute the program under these conditions, and telling the user how to view a copy of this License. (Exception: if the Program itself is interactive but does not normally print such an announcement, your work based on the Program is not required to print an announcement.)

These requirements apply to the modified work as a whole. If identifiable sections of that work are not derived from the Program, and can be reasonably considered independent and separate works in themselves, then this License, and its terms, do not apply to those sections when you distribute them as separate works. But when you distribute the same sections as part of a whole which is a work based on the Program, the distribution of the whole must be on the terms of this License, whose permissions for other licensees extend to the entire whole, and thus to each and every part regardless of who wrote it.

Thus, it is not the intent of this section to claim rights or contest your rights to work written entirely by you; rather, the intent is to exercise the right to control the distribution of derivative or collective works based on the Program.

In addition, mere aggregation of another work not based on the Program with the Program (or with a work based on the Program) on a volume of a storage or distribution medium does not bring the other work under the scope of this License.

**3.** You may copy and distribute the Program (or a work based on it, under Section 2) in object code or executable form under the terms of Sections 1 and 2 above provided that you also do one of the following:

- a) Accompany it with the complete corresponding machine-readable source code, which must be distributed under the terms of Sections 1 and 2 above on a medium customarily used for software interchange; or,
- b) Accompany it with a written offer, valid for at least three years, to give any third party, for a charge no more than your cost of physically performing source distribution, a complete machine-readable copy of the corresponding source code, to be distributed under the terms of Sections 1 and 2 above on a medium customarily used for software interchange; or,
- c) Accompany it with the information you received as to the offer to distribute corresponding source code. (This alternative is allowed only for noncommercial distribution and only if you received the program in object code or executable form with such an offer, in accord with Subsection b above.)

The source code for a work means the preferred form of the work for making modifications to it. For an executable work, complete source code means all the source code for all modules it contains, plus any associated interface definition files, plus the scripts used to control compilation and installation of the executable. However, as a special exception, the source code distributed need not include anything that is normally distributed (in either source or binary form) with the major components (compiler, kernel, and so on) of the operating system on which the executable runs, unless that component itself accompanies the executable.

If distribution of executable or object code is made by offering access to copy from a designated place, then offering equivalent access to copy the source code from the same place counts as distribution of the source code, even though third parties are not compelled to copy the source along with the object code.

**4.** You may not copy, modify, sublicense, or distribute the Program except as expressly provided under this License. Any attempt otherwise to copy, modify, sublicense or distribute the Program is void, and will automatically terminate your rights under this License. However, parties who have received copies, or rights, from you under this License will not have their licenses terminated so long as such parties remain in full compliance.

**5.** You are not required to accept this License, since you have not signed it. However, nothing else grants you permission to modify or distribute the Program or its derivative works. These actions are prohibited by law if you do not accept this License. Therefore, by modifying or distributing the Program (or any work based on the Program), you indicate your acceptance of this License to do so, and all its terms and conditions for copying, distributing or modifying the Program or works based on it.

**6.** Each time you redistribute the Program (or any work based on the Program), the recipient automatically receives a license from the original licensor to copy, distribute or modify the Program subject to these terms and conditions. You may not impose any further restrictions on the recipients'

exercise of the rights granted herein. You are not responsible for enforcing compliance by third parties to this License.

**7.** If, as a consequence of a court judgment or allegation of patent infringement or for any other reason (not limited to patent issues), conditions are imposed on you (whether by court order, agreement or otherwise) that contradict the conditions of this License, they do not excuse you from the conditions of this License. If you cannot distribute so as to satisfy simultaneously your obligations under this License and any other pertinent obligations, then as a consequence you may not distribute the Program at all. For example, if a patent license would not permit royalty-free redistribution of the Program by all those who receive copies directly or indirectly through you, then the only way you could satisfy both it and this License would be to refrain entirely from distribution of the Program.

If any portion of this section is held invalid or unenforceable under any particular circumstance, the balance of the section is intended to apply and the section as a whole is intended to apply in other circumstances.

It is not the purpose of this section to induce you to infringe any patents or other property right claims or to contest validity of any such claims; this section has the sole purpose of protecting the integrity of the free software distribution system, which is implemented by public license practices. Many people have made generous contributions to the wide range of software distributed through that system in reliance on consistent application of that system; it is up to the author/donor to decide if he or she is willing to distribute software through any other system and a licensee cannot impose that choice.

This section is intended to make thoroughly clear what is believed to be a consequence of the rest of this License.

**8.** If the distribution and/or use of the Program is restricted in certain countries either by patents or by copyrighted interfaces, the original copyright holder who places the Program under this License may add an explicit geographical distribution limitation excluding those countries, so that distribution is permitted only in or among countries not thus excluded. In such case, this License incorporates the limitation as if written in the body of this License.

**9.** The Free Software Foundation may publish revised and/or new versions of the General Public License from time to time. Such new versions will be similar in spirit to the present version, but may differ in detail to address new problems or concerns.

Each version is given a distinguishing version number. If the Program specifies a version number of this License which applies to it and "any later version", you have the option of following the terms and conditions either of that version or of any later version published by the Free Software Foundation. If the Program does not specify a version number of this License, you may choose any version ever published by the Free Software Foundation.

**10.** If you wish to incorporate parts of the Program into other free programs whose distribution conditions are different, write to the author to ask for permission. For software which is copyrighted by the Free Software Foundation, write to the Free Software Foundation; we sometimes make exceptions for this. Our decision will be guided by the two goals of preserving the free status of all derivatives of our free software and of promoting the sharing and reuse of software generally.

## **NO WARRANTY**

**11.** BECAUSE THE PROGRAM IS LICENSED FREE OF CHARGE, THERE IS NO WARRANTY FOR THE PROGRAM, TO THE EXTENT PERMITTED BY APPLICABLE LAW. EXCEPT WHEN OTHERWISE STATED IN WRITING THE COPYRIGHT HOLDERS AND/OR OTHER PARTIES PROVIDE THE PROGRAM "AS IS" WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESSED OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. THE ENTIRE RISK AS TO THE QUALITY AND PERFORMANCE OF THE PROGRAM IS WITH YOU. SHOULD THE PROGRAM PROVE DEFECTIVE, YOU ASSUME THE COST OF ALL NECESSARY SERVICING, REPAIR OR CORRECTION.

**12.** IN NO EVENT UNLESS REQUIRED BY APPLICABLE LAW OR AGREED TO IN WRITING WILL ANY COPYRIGHT HOLDER, OR ANY OTHER PARTY WHO MAY MODIFY AND/OR REDISTRIBUTE THE PROGRAM AS PERMITTED ABOVE, BE LIABLE TO YOU FOR DAMAGES, INCLUDING ANY GENERAL, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE USE OR INABILITY TO USE THE PROGRAM (INCLUDING BUT NOT LIMITED TO LOSS OF DATA OR DATA BEING RENDERED INACCURATE OR LOSSES SUSTAINED BY YOU OR THIRD PARTIES OR A FAILURE OF THE PROGRAM TO OPERATE WITH ANY OTHER PROGRAMS), EVEN IF SUCH HOLDER OR OTHER PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

## **END OF TERMS AND CONDITIONS**
