Support Certificate

This document (the “Certificate”) is a legal agreement between the end user (the “Licensee”) and Veritas Technologies LLC and/or its subsidiaries (‘Veritas’). This Certificate and the rights granted herein are only effective as to end users who have a valid license pursuant to a Veritas license agreement (the “License Agreement”) for the underlying Veritas software product(s) (the “Software”) for which this support will be provided. This Certificate applies to the products and/or services identified on the front of this Certificate (or if not on the face of this Certificate then in the entitlement details page of Licensee’s account within the Veritas Licensing Portal).

IF LICENSEE DOES NOT AGREE TO THESE TERMS, THEN VERITAS IS UNABLE TO PROVIDE SUPPORT FOR THE SOFTWARE TO LICENSEE. RECEIPT OF SUPPORT INDICATES LICENSEEE’S AGREEMENT TO THESE TERMS.

Definitions:

• Upgrade Assurance: The right to use upgrades to the Software as they become generally available to Veritas’ end user customers. An upgrade is any version of the Software which has been released to the public and which replaces the prior version of the Software. All such upgraded Software is licensed to Licensee for use subject to all terms and conditions, including without limitation disclaimers of warranties and limitation of liabilities, of the License Agreement. Nothing in this Certificate shall be construed as separately licensing copies of the Software or increasing the number of copies of Software licensed to Licensee.

Terms and Conditions:

• Support Policies: The support service(s) will be provided in accordance with Veritas’ Technical Support Policy and other support policies which may be revised and updated by Veritas from time to time without notice to Licensee. Please refer to http://go.veritas.com/support-fundamentals for copies of such policies. Under Veritas’ Enterprise Technical Support Policy, support services may be discontinued for certain Software or a particular version of Software prior to the end date of the term purchased.
Licensee may cancel Autorenewal by Autorenewal Benefit.

Veritas reserves the right to cancel Autorenewal by providing at least thirty (30) days’ notice before the beginning of an Autorenewal period. Veritas’ notice may be provided (i) by email to Licensee’s then-current business or technical contact; or (ii) by publication on Veritas.com or on the interfaces through which Licensee manages support services. Veritas’ reasons for cancellation of Autorenewal may include removal of the applicable support service offering or Veritas product from general availability (end of life).

Veritas reserves the right to automatically invoice for each Autorenewal, with an increase of not to exceed up to five percent (5%) over the annualized rate Veritas charged for the prior twelve (12) month period of support services. If required by Veritas, Licensee shall issue (or cause to be issued) a purchase order to Veritas on a timely basis before expiration of the current support period, to support invoicing for each renewal period.

**Scope of Support:** Licensee’s technical assistance is limited to error correction resolution of Software used in a Supported Configuration. Support services do not include services such as training, installation, migration, implementation and configuration services which Veritas sells under other separate offerings. Please refer to https://www.veritas.com/services for additional information regarding these and other services offered by Veritas.

**Additional Designated Contacts:** Licensee may add additional Designated Contact(s) for either Essential Support or Basic Maintenance by paying the applicable fee in effect at the time Licensee seeks to add the additional Designated Contact(s). If Licensee has purchased the right to designate additional Designated Contacts, the number purchased reflects the number of additional designated Licensee Designated Contacts who may receive technical support on Licensee’s behalf with the same rights and for the same term as the primary contacts for either Essential Support or Basic Maintenance.

**Acknowledgement of Use of Personal Data.** Licensee recognizes that Veritas will require Licensee to supply certain personal data (such as business contact names, business telephone numbers, business e-mail addresses), in order for Veritas to provide Support and to keep Licensee apprised of support and product updates. Licensee acknowledges that Veritas is a global organization, and such personal data may be accessible on a global basis to enable Veritas to provide Licensee Support. By providing such personal data, Licensee consents to Veritas using, transferring and processing this personal data on a global basis for the purposes described above. Where Licensee’s processing of the personal data provided to Veritas under this Certificate is subject to the General Data Protection Regulation (EU) 2016/679, or other applicable laws that relate to the processing of personal data and privacy that may exist in the European Economic Area and/or Switzerland, Veritas shall process such personal data in accordance with the Data Processing Terms and Conditions at https://www.veritas.com/privacy.

**Support Services Warranty.** Veritas warrants, for a period of thirty (30) days from the date of performance of support services under this Certificate, that such support services will be performed in a manner consistent with generally accepted industry standards. For support services not performed as warranted in this provision, and provided Licensee has reported such non-conformance to Veritas within thirty (30) days of performance of such non-conforming support services, Veritas will, at its discretion, either correct any nonconforming support services or refund the relevant fees paid for the nonconforming support services. THIS IS LICENSEE’S EXCLUSIVE REMEDY AND VERITAS’ SOLE LIABILITY ARISING IN CONNECTION WITH THE SUPPORT SERVICES WARRANTY DESCRIBED IN THIS SECTION.

**Disclaimer of Damages:** To the maximum extent permitted by applicable law and regardless of whether any remedy set forth herein fails of its essential purpose, in no event will Veritas be liable to you for (i) any costs of procurement of substitute or replacement goods and services, loss of profits, loss of use, loss of or corruption to data, business interruption, loss of production, loss of revenues, loss of contracts, loss of goodwill, or anticipated savings or wasted management and staff time; or (ii) any special, consequential, incidental or indirect damages whether arising directly or indirectly out of the provision of support service(s), even if the party, its reSELLers, suppliers or its agents has been told such damages might occur. In no case shall Veritas’ liability exceed the purchase price for the support service(s). Nothing in this certificate shall exclude or limit Veritas’ liability for any liability which cannot be excluded or limited by law.

**Autorenewal Benefit.** Veritas support services include an autorenewal benefit. Licensee’s support services will automatically renew for renewal periods of twelve (12) months each when the then-current term expires (“Autorenewal”) until Licensee cancels Autorenewal.

Licensee may cancel Autorenewal by providing written notice to Veritas at cancellations@veritas.com at least thirty (30) days before the beginning of the next Autorenewal date. Veritas may cancel Autorenewal by providing at least thirty (30) days’ notice before the beginning of an Autorenewal period. Veritas’ notice may be provided (i) by email to Licensee’s then-current business or technical contact; and/or (ii) by publication on Veritas.com or on the interfaces through which Licensee manages support services. Veritas’ reasons for cancellation of Autorenewal may include removal of the applicable support service offering or Veritas product from general availability (end of life).
*stated renewal cap does not apply to purchases which were made under a promotional rate or on less-than-market rates – for these, Veritas reserves the right to uplift renewal pricing to our current market rates.

This Autorenewal benefit does not apply to Licensees who cannot agree to Autorenewal under local law or governmental procurement regulation.

INTEGRATION: This Certificate, as supplemented by any relevant terms in the License Agreement not otherwise defined herein, constitutes the entire agreement between the parties pertaining to the subject matter hereof, and, except as otherwise agreed upon in writing by the parties, supersedes any and all prior written or oral agreement with respect to such subject matter.
