

**Veritas Business Critical Services – Cleared Support Services
Cleared Account Manager
Terms and Conditions**

This document (the “Certificate”) is a legal agreement between the end user (“Licensee”) and Veritas Technologies LLC and/or its affiliates or subsidiaries (“Veritas”). This Certificate and the rights granted herein apply to Eligible Software (as defined below) for which Licensee has purchased Cleared Support Services-Cleared Account Manager (“CSS-CAM”). This Certificate applies to the products and/or services identified on the front of this Certificate (or if not on the face of this Certificate then in the entitlement details page of Licensee’s account within the Veritas Licensing Management portal).

IF LICENSEE DOES NOT AGREE TO THESE TERMS, THEN VERITAS IS UNABLE TO PROVIDE CSS-CAM SERVICES TO LICENSEE. DELIVERY OF THIS CERTIFICATE IS PROVIDED TO CONFIRM LICENSEE’S RECEIPT OF THE TERMS AND CONDITIONS SET FORTH HEREIN.

I. **CSS-CAM Services:** Commencing on the issue date, Veritas will provide to Licensee CSS-CAM Services for the Supported Data Centers under any purchases by Licensee of CSS-VS Services (Veritas Business Critical Services-Cleared Support Services-Verified Support) for the period purchased (“Term”).

- **CSS-CAM Services.** The prerequisites for CSS-CAM Services are CSS-VS Services (Veritas Business Critical Services-Verified Support) and at least one entitlement of CSS-CSE (Veritas Business Critical Services-Cleared Support Services-Cleared Support Engineer). All terms and conditions of CSS-VS and CCS-CSE are hereby incorporated by reference. Each purchase of CSS-CAM Services must identify a single primary facility for service delivery and coordination (an “HQ Datacenter”).

CSS-CAM Services shall consist of the following services (i) Support Account Management (Licensee will be assigned a named Cleared Account Manager (CAM) whose function is to serve as Licensee’s primary account contact for Licensee’s Cleared Support Services relationship); (ii) delivery of Quarterly On-Site Case History and Account Reviews (a quarterly account review provided by the CAM to Licensee that will be scheduled at a mutually convenient time and will take place at the HQ Datacenter identified above); (iii) availability of the CAM who is alerted on a 24/7 basis when a Severity 1 or Severity 2 Case has been logged and who shall serve as the point of contact for providing Case management assistance. With the exception of the Quarterly On-Site Case History and Account Reviews, CSS-CAM Services will be delivered remotely.

- **CAM.** Veritas and Licensee shall mutually agree upon the identity of the CAM, taking into account Licensee’s requirements for specific security clearance levels, and/or agency clearances.
- **Renewal Term; Fees for Renewal Term.** Unless otherwise terminated, Licensee’s annual subscription for CSS-CAM Services will automatically renew for additional periods of twelve (12) months each (each, a “Renewal Term”), subject to general availability of CSS-CAM Services on Veritas’ then-current price list and subject to Licensee’s satisfaction of all requirements set forth in this Certificate. The CSS-CAM Services fees charged to Licensee or to a Veritas authorized distributor/reseller, as applicable, for each twelve (12) month period of any Renewal Term, shall be the CSS-CAM Services fees for the immediately preceding twelve (12) month period (“Base CSS-CAM Services Fee”) plus an increase not to exceed more than three percent (3%) over the Base CSS-CAM Services Fee. If Licensee purchases the Renewal Term through a Veritas authorized distributor/reseller, then the amount of fees for Licensee’s Renewal Term and payment terms will be those fees and terms that are separately arranged between Licensee and such distributor/reseller.
