

Veritas Access

Premium Start Deployment Service

CONVERT TECHNOLOGY INVESTMENTS TO BUSINESS SUCCESS

Get greater organizational value from your Veritas™ Access investment with expert implementation services by Veritas. Our professional installations can help you accelerate your digital transformation by simplifying deployment, reducing risk and improving your knowledge and insights.

REALIZE SUCCESS WITH A PROVEN ACCESS INSTALLATION

The comprehensive Access—Premium Start Deployment Service is based on best practices and the expertise of Veritas engineers and seasoned installers. The Premium Start service helps assure that the multisite Access software, attached and cloud storage, Veritas NetBackup™ and Veritas Enterprise Vault™ are configured and tested to meet your requirements.

Veritas installers speed acceptance through careful pre-engagement planning and environmental readiness checks, systematic configuration, integration and functional testing, and delivery of system demonstrations and as-built documents.
