

# Veritas Access

## Quick Start Deployment Service

### CONVERT TECHNOLOGY INVESTMENTS TO BUSINESS SUCCESS

Get greater organizational value from your Veritas™ Access investment with expert implementation services from Veritas. Our professional quick start installations can help you accelerate your digital transformation by simplifying deployment, reducing risk and improving your knowledge and insights.

### REALIZE SUCCESS WITH A PROVEN ACCESS INSTALLATION

The **Access - Quick Start Deployment Service** is based on best practices and the expertise of Veritas engineers and implementation experts. The Quick Start service helps assure that Access software, attached and cloud storage, Veritas NetBackup™ and Veritas Enterprise Vault™ are configured and tested to meet your requirements.

The Veritas deployment team speeds acceptance through careful pre-engagement planning and environmental readiness checks, systematic configuration, integration and functional testing, and delivery of system demonstrations and as-built documents.

**FAST**  
Speed Acceptance

**WORLD CLASS DELIVERY**  
by Veritas Experts

**READY TO GO**  
Tested and Verified

### ACCESS - QUICK START DEPLOYMENT SERVICE BENEFITS:

- Simplify startup with a verified and tested installation.
- Reduce deployment risks.
- Gain freedom to create valuable data policy, optimization, availability, and cloud digital transformation results.
- Shorten the learning curve with hands-on experiences.

Contact your Veritas representative today to learn more.

## FAST ACCESS IMPLEMENTATION, INCLUDING:
