Training Services Registration

Be the best! Take the test!

Training Class Registration

1. Click on: Veritas Education Portal - enter your username and password and Sign In:
2. Use the Search box to find the training class or learning lab course you wish to register to:
3. Click on the course name and then click on See Classes Available:

4. Scroll down to classes (Learning Lab courses appear first). Once you see the class you need, click on Buy Now:
5. Ensure you click on the Training Units button, so you can complete your payment using your Training Unit Agreement number.
   a. Enter your Training Unit Agreement number and click on Search.
6. Your Training Unit Agreement will show with the available units. Ensure the correct number of Units shows and click Apply.
   a. Complete the order by accepting the Terms and Conditions and then Complete Order.
7. Your Registration in the class is now complete.

You will be sent a Confirmation email, outlining your Registration to the class and your access to eBooks and lab.

About Veritas
Veritas Technologies is a global leader in data protection and availability. Over 80,000 customers—including 87 percent of the Fortune Global 500—rely on us to abstract IT complexity and simplify data management. The Veritas Enterprise Data Services Platform automates the protection and orchestrates the recovery of data everywhere it lives, ensures 24/7 availability of business-critical applications, and provides enterprises with the insights they need to comply with evolving data regulations. With a reputation for reliability at scale and a deployment model to fit any need, Veritas Enterprise Data Services Platform supports more than 800 different data sources, over 100 different operating systems, more than 1,400 storage targets, and more than 60 different cloud platforms.
