

Veritas Alta™ Capture

Easily capture and archive communications in the cloud for compliance and eDiscovery.

Capture popular message types to meet compliance and information governance needs. Add [Veritas Alta Capture](#) (formerly known as Merge1 SaaS) archiving software to Veritas Alta™ Archiving to capture information from financial messaging platforms; collaboration, file sharing, SMS, mobile chat, audio/visual files, web pages, and cloud-based content.

Cloud Capture Capability for Your Archiving Needs

Total Integration: Fully integrates with Veritas Alta Archiving

Fully Customizable: Supports any content, including proprietary content sources

Designed for Simplicity: Requires no training, uses a small footprint and quick setup, and runs on existing infrastructure

Archive

Retain all conversations within your workforce, over any medium

Comply

Align with message archiving regulations

Enhance

Improve eDiscovery and legal preparedness

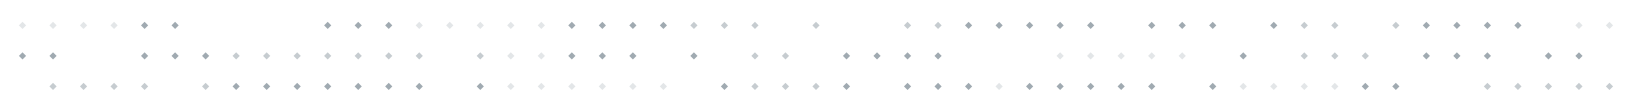

Archive Conversations Across All Your Platforms

As business communications increasingly occur over digital channels, such as social media and financial chat, capturing these communications has become essential for:

- Compliance with industry regulations, including financial services and pharmaceuticals
- Support of eDiscovery efforts for legal cases and investigations
- Retention of communications for corporate governance and other mandates

Total Integration with Veritas Alta Archiving

Veritas Alta Capture—the only archive messaging application endorsed by both Microsoft and Veritas—greatly simplifies the capture and archival of messages for compliance and eDiscovery. Its integration with Veritas Alta Archiving gives users the ability to collect from more than 120 content sources using the archive portal. Veritas Alta Capture helps you achieve:

Use it to support compliance with major regulatory bodies, including:

- Financial: SEC, FINRA, CFTC, SOX, MiFID II
- Pharma and Healthcare: FDA, HIPAA, FDCA, ARRA, SARS
- Government: FOIA, FISMA, RTI, State Privacy Acts
- Energy and Utilities: FERC, DOE, NERC, State Regulations
- International/Commercial: FTC, GDPR

The Ideal Combination of Power and Simplicity:

- Fully customizable
- Easy to set up and deploy
