Steps to Access Enterprise Vault.cloud Downloads

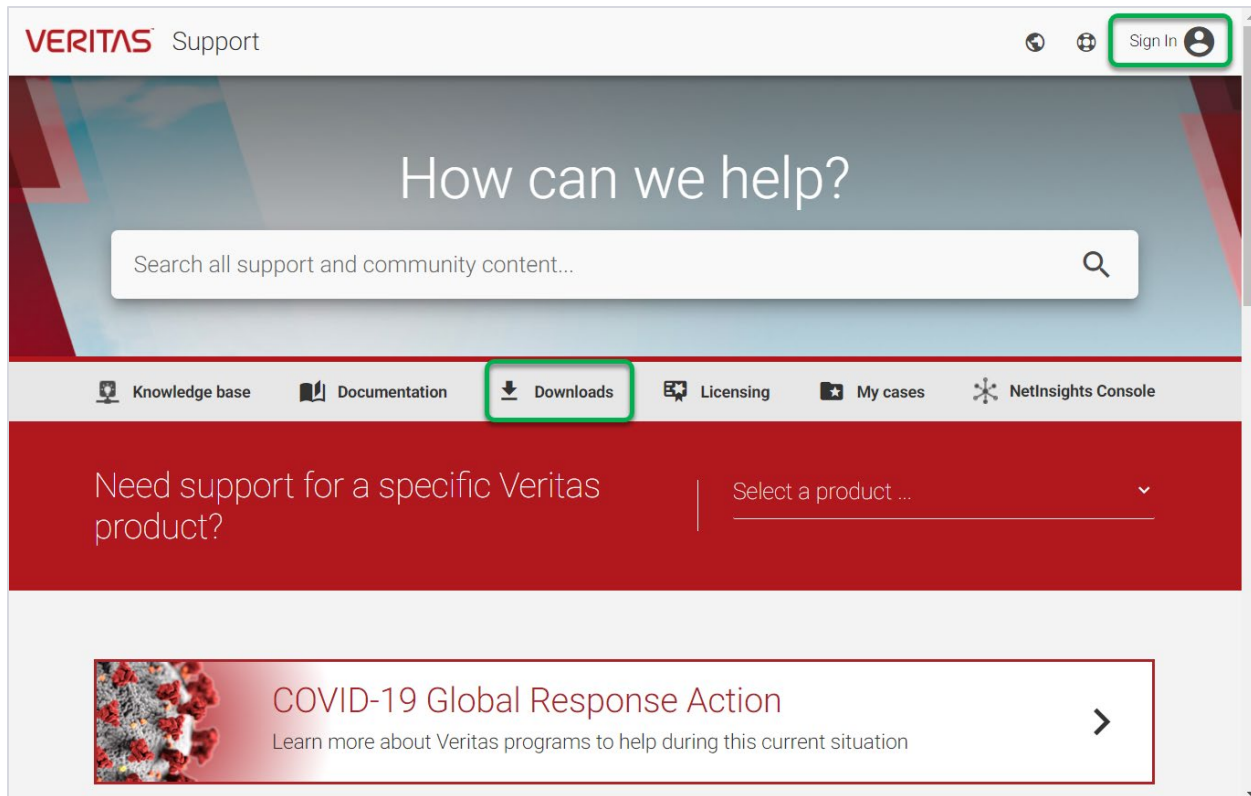

We have a new updated **Downloads Center** that makes finding your Veritas Product Downloads even easier! You can read about it here: https://www.veritas.com/content/support/en_US/news/download_center

The new Downloads Center effectively combines the access to files from Veritas Entitlement Management System (VEMS), the Veritas Support website, or SORT into a one stop shopping experience. Now you can find, review, and download software releases for all Veritas products (full installs, full upgrades, patches, and other related files) in one place. Obtaining Veritas software is now as simple as going to Veritas Support and clicking on the **Downloads** icon from the homepage. It is that easy!

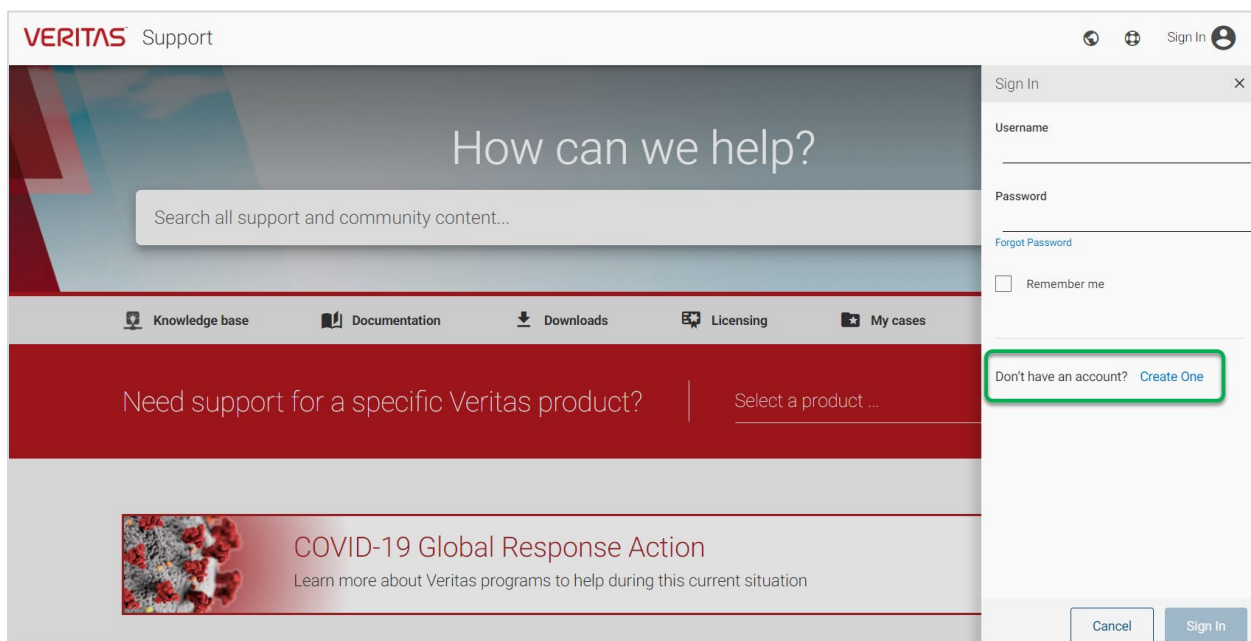

To start working in the Downloads Center:

1. Go to the [Veritas Support](#).
2. If you have an account, then click **Sign-In** and jump to the step 8.

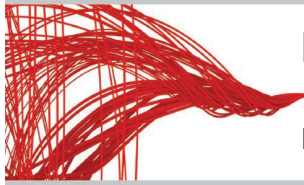

³The Sentiment values are obtained from Veritas Information Classifier.

3. If you do not have an account, click **Create One**.

4. On the next screen, click **Register Now**.

Veritas Account Login

Veritas Account Manager is Veritas's User Account Management application for Veritas Entitlement Management System, PartnerNet and VOX Community.

If you already have an existing account on one of these applications, use your

You will be navigated to this page where you must **activate your account** by going to your email and clicking the proper link.

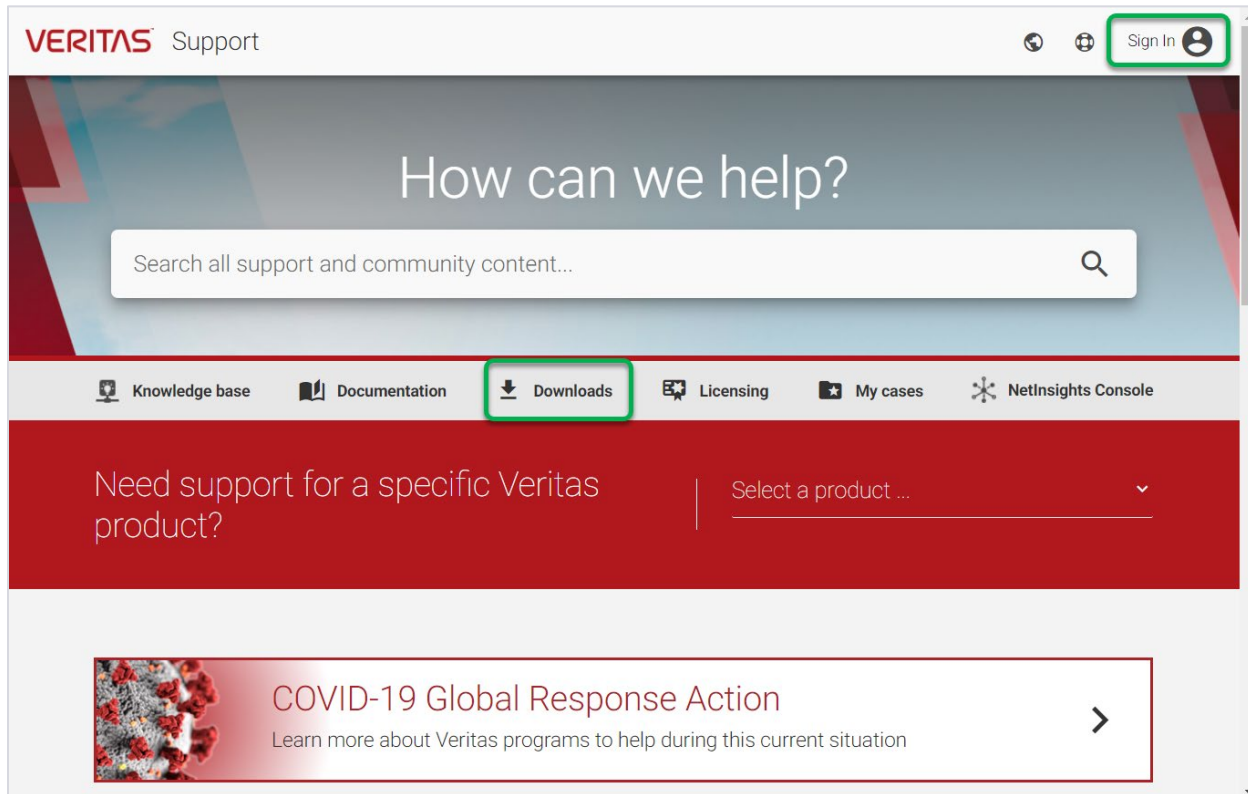

The screenshot shows a web browser window with the address bar containing `vam.veritas.com/VAM/processCreateAccount.do`. Below the address bar is a navigation menu with icons and labels for Devops, others, Veritas, personal, TFS Migration, Azure, CR, Webex Rec, and confluenc. The main content area features the Veritas logo and the text "Veritas Account Manager". A large heading reads "Your Veritas Account Has Been Successfully Created." Below this, a green-bordered box contains the text: "Please activate your account by clicking on Activation link in email sent to you. [Click Here](#) to return to VAM home page." At the bottom of the page, a copyright notice states "©2020 Veritas Technologies LLC. All rights reserved."

6. Click the **activation link** that is included in the received email to complete the registration process.

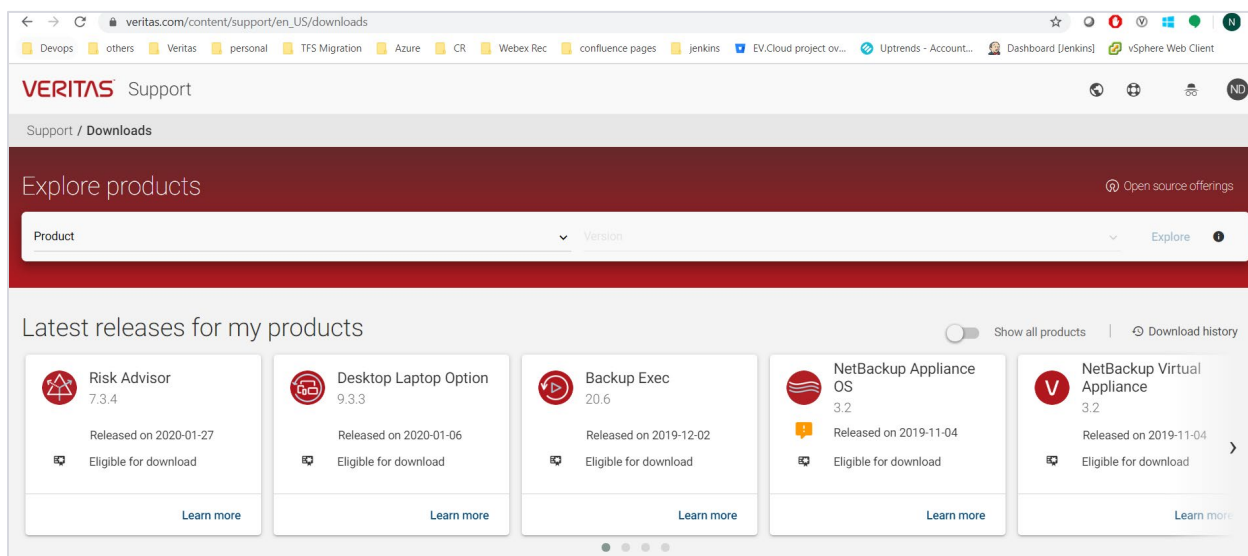

The screenshot shows the top portion of an email with the Veritas logo in the upper right corner. The main heading is "Veritas Account Confirmation". The text below reads: "Hello, [redacted] : there's only one step left ! We just need to verify your email address to complete the setup of your account. To verify the address, click on the following link:" A green-bordered box highlights the activation link: <https://vam.veritas.com/VAM/activate?serialNumber=1611149179908Dz86S6136Q0S1JqytUx>

7. Go back to [Veritas Support](#) and **Sign in** to your account.

8. Click the **Downloads** button and you will be directed to this page.

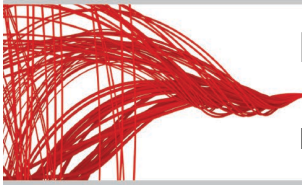

9. Click the **Product** dropdown arrow, to search for **Enterprise Vault.cloud**.

The screenshot shows the Veritas Support Downloads page. The breadcrumb trail is "Support / Downloads". The "Explore products" section has a dropdown menu open, listing several products. "Enterprise Vault.cloud" is highlighted in the dropdown. Below the dropdown, there are three product cards: "Backup Exec 20.6" (Released on 2019-12-02), "NetBackup Applia OS 3.2" (Released on 2019-11-04), and another card partially visible. Each card has an "Eligible for download" status.

10. Click **Explore**

The screenshot shows the Veritas Support Downloads page with the "Enterprise Vault.cloud" dropdown menu open. The dropdown menu shows "Enterprise Vault.cloud" selected and "HOSTED" as the deployment type. The "Explore" button is highlighted with a green box. The breadcrumb trail is "Support / Downloads". The "Explore products" section has a link for "Open source offerings". Below the dropdown menu, the "Latest releases" section is visible.

11. In this window, click **Base and Upgrade Installers** and you will see a list of installers.
