## Steps to Access Enterprise Vault.cloud Downloads

We have a new updated **Downloads Center** that makes finding your Veritas Product Downloads even easier! You can read about it here: [https://www.veritas.com/content/support/en\\_US/news/download\\_center](https://www.veritas.com/content/support/en_US/news/download_center) .

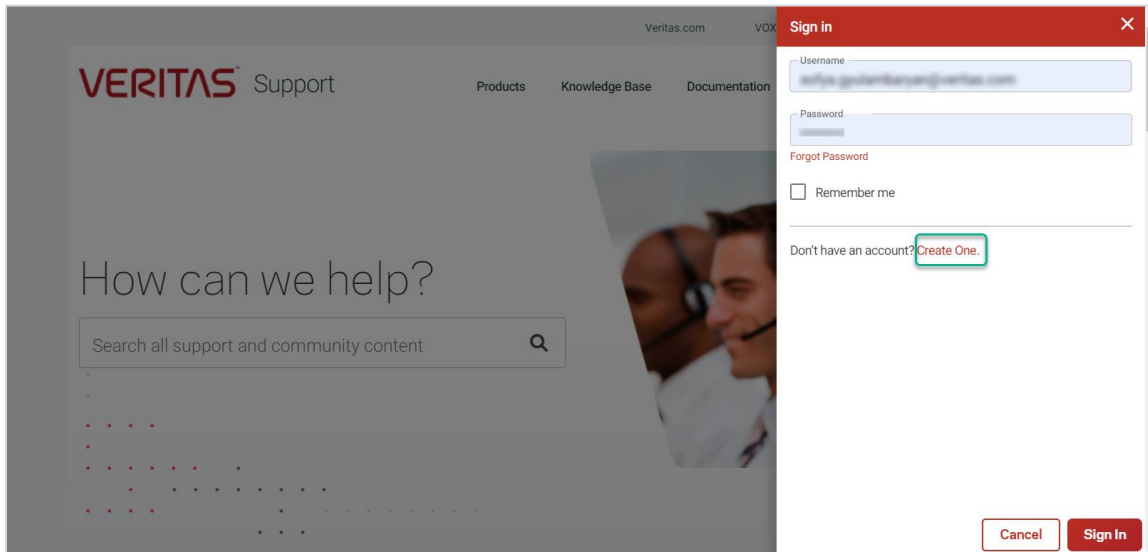

The new Downloads Center effectively combines the access to files from Veritas Entitlement Management System (VEMS), the Veritas Support website, or SORT into a one stop shopping experience. Now you can find, review, and download software releases for all Veritas products (full installs, full upgrades, patches, and other related files) in one place. Obtaining Veritas software is now as simple as going to Veritas Support and clicking on the **Downloads** icon from the homepage. It is that easy!

To start working in the Downloads Center:

1. Go to the [Veritas Support](#).
2. If you have an account, then click **Sign-In** and jump to step [7](#).

3. If you do not have an account, click **Create One**.

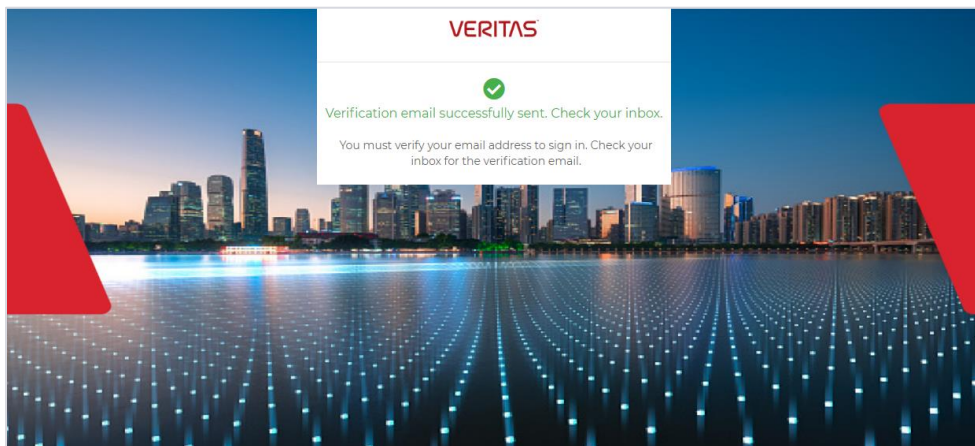

4. In the opened window, fill in the proper details to create an account.

The screenshot shows the 'Create your Veritas account profile' form. It includes input fields for Email, Password, Confirm password, First name, Last name, and Company name. There are also dropdown menus for Country and Preferred language. A 'Register' button is highlighted with a green border, and a 'Cancel' button is also visible. The background features a city skyline at night with a grid of light points on the water.

5. When complete, click **Register**. You will be navigated to this page where you must **activate your account** by going to your email and clicking the proper link.

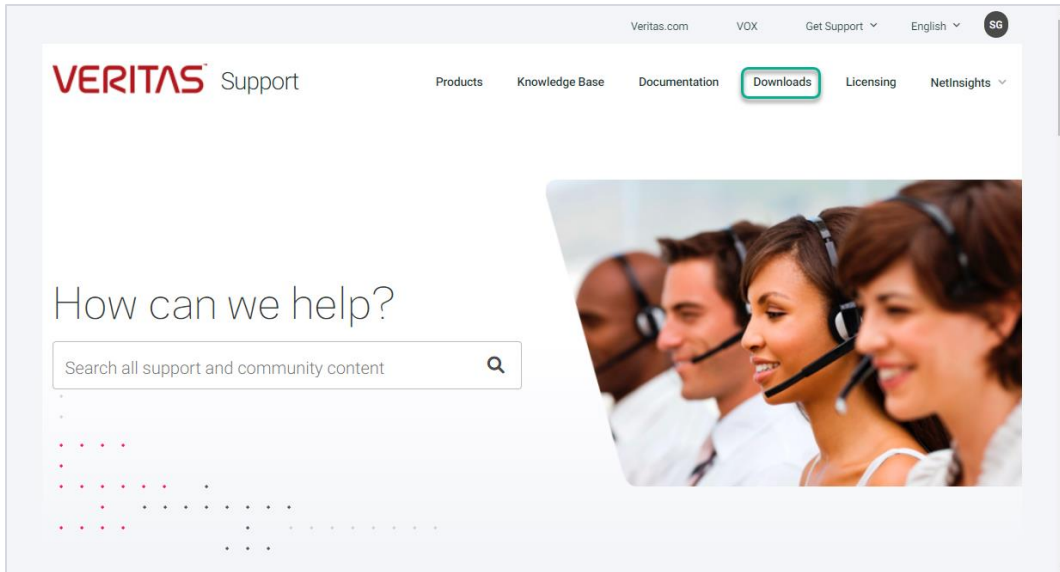

6. Click the **activation link** that is included in the received email to complete the registration process.
7. Go back to [Veritas Support](#) and **Sign in** to your account.
