Steps to Access Enterprise Vault.cloud Downloads

We have a new updated **Downloads Center** that makes finding your Veritas Product Downloads even easier! You can read about it here: https://www.veritas.com/content/support/en_US/news/download_center

The new Downloads Center effectively combines the access to files from Veritas Entitlement Management System (VEMS), the Veritas Support website, or SORT into a one stop shopping experience. Now you can find, review, and download software releases for all Veritas products (full installs, full upgrades, patches, and other related files) in one place. Obtaining Veritas software is now as simple as going to Veritas Support and clicking on the **Downloads** icon from the homepage. It is that easy!

To start working in the Downloads Center:

1. Go to the [Veritas Support](#).
2. If you have an account, then click **Sign-In** and jump to the step 8.

3. If you do not have an account, click **Create One**.

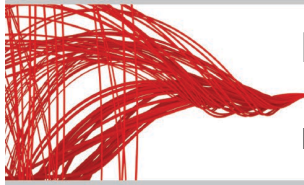

The screenshot shows the Veritas Support website. The main header includes the Veritas logo and the text "Support". Below the header is a search bar with the text "How can we help?" and "Search all support and community content...". A navigation menu contains links for "Knowledge base", "Documentation", "Downloads", "Licensing", and "My cases". A red banner below the navigation menu says "Need support for a specific Veritas product?" and "Select a product ...". Below the banner is a section for "COVID-19 Global Response Action" with a sub-header "Learn more about Veritas programs to help during this current situation". On the right side, a "Sign In" modal window is open, containing fields for "Username", "Password", and "Remember me", along with a "Forgot Password" link and a "Create One" link highlighted with a green box. At the bottom of the modal are "Cancel" and "Sign In" buttons.

4. On the next screen, click **Register Now**.

The screenshot shows the "Veritas Account Login" page. The title is "Veritas Account Login". Below the title is a paragraph: "Veritas Account Manager is Veritas's User Account Management application for Veritas Entitlement Management System, PartnerNet and VOX Community." Below that is another paragraph: "If you already have an existing account on one of these applications, use your". The main content area is titled "Login" and contains the following elements: "User ID:" followed by a text input field, "Password:" followed by a text input field, a dropdown menu labeled "Select a Veritas Application", a link "Forgot your password?", and a red "LOGIN" button. Below the login section is a section titled "Don't have a Veritas Account?" with the text "Create a Veritas Account now. Sign up is free." and a red "REGISTER NOW" button highlighted with a green box.

5. In the opened window, fill in the proper details to create an account. When complete, click **Submit**.

Create Your Veritas Account Profile

Create your login credentials and profile once, then use them on multiple Veritas applications including Support, Veritas Entitlement Management System, PartnerNet and VOX Community.

Fields marked with * are required. All information must be entered in Latin characters only.

By clicking on Submit you accept the Veritas Account [Privacy Notice](#).

CANCEL

SUBMIT

You will be navigated to this page where you must **activate your account** by going to your email and clicking the proper link.

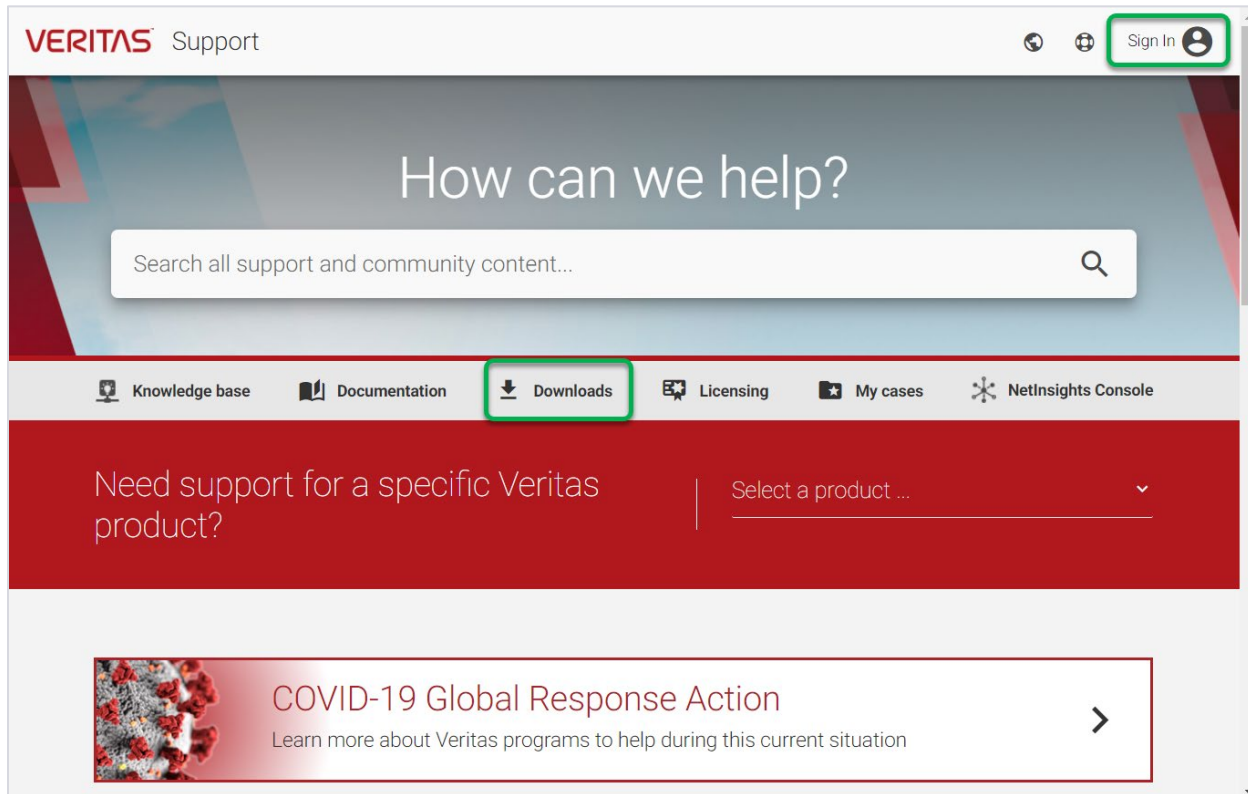

The screenshot shows a web browser window with the URL `vam.veritas.com/VAM/processCreateAccount.do`. The browser's address bar and tabs are visible. The page header includes the Veritas logo and the text "Veritas Account Manager". The main content area displays the message "Your Veritas Account Has Been Successfully Created." Below this message, a green-bordered box contains the text: "Please activate your account by clicking on Activation link in email sent to you. [Click Here](#) to return to VAM home page." The footer of the page contains the copyright notice: "©2020 Veritas Technologies LLC. All rights reserved."

6. Click the **activation link** that is included in the received email to complete the registration process.

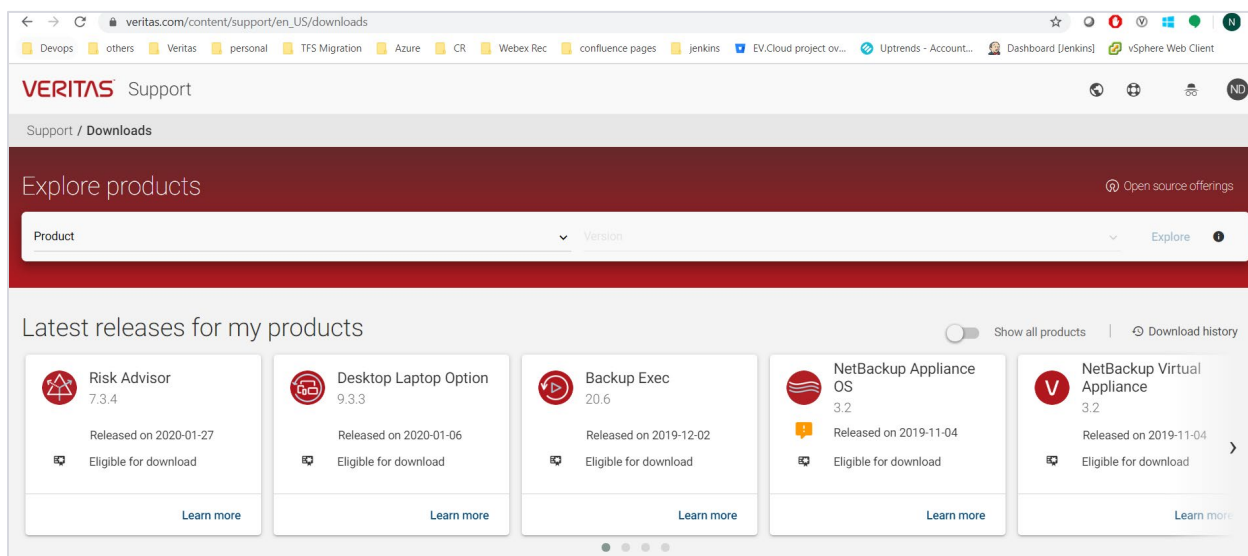

The screenshot shows an email with a blue header containing the Veritas logo. The main body of the email is titled "Veritas Account Confirmation". The text reads: "Hello, [redacted] : there's only one step left ! We just need to verify your email address to complete the setup of your account. To verify the address, click on the following link:" Below this text, a green-bordered box contains the activation link: <https://vam.veritas.com/VAM/activate?serialNumber=1611149179908Dz86S6136Q0S1JqytUx>

7. Go back to [Veritas Support](#) and **Sign in** to your account.

8. Click the **Downloads** button and you will be directed to this page.

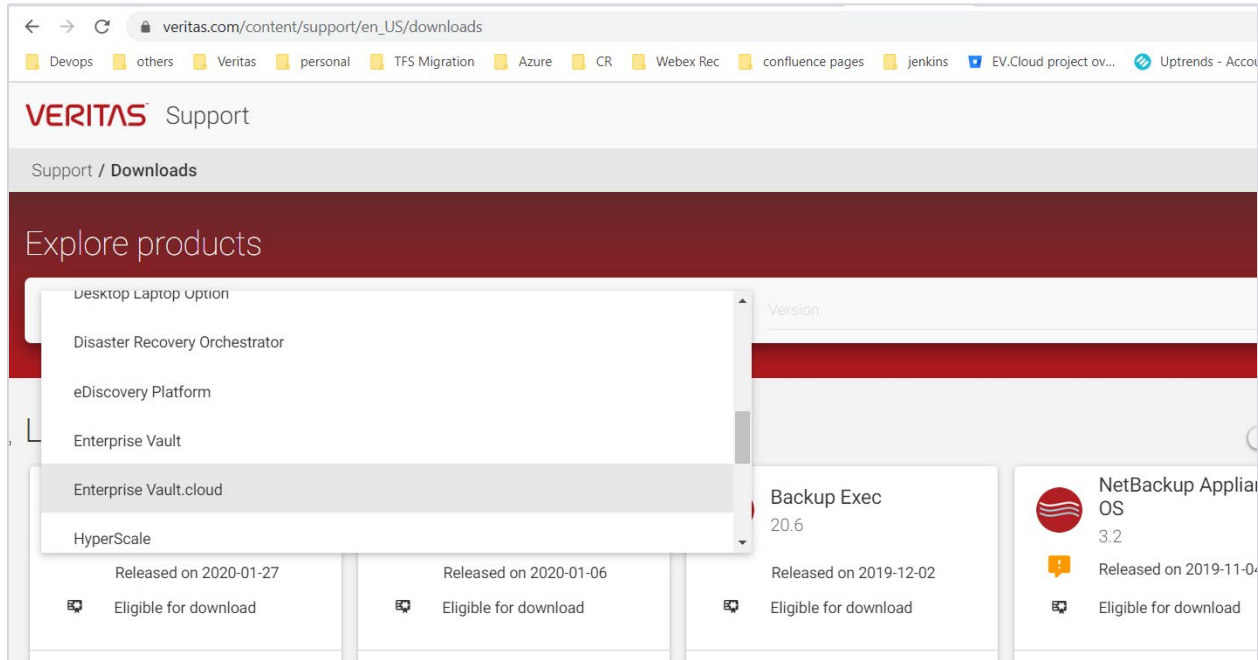

Enterprise Vault.cloud

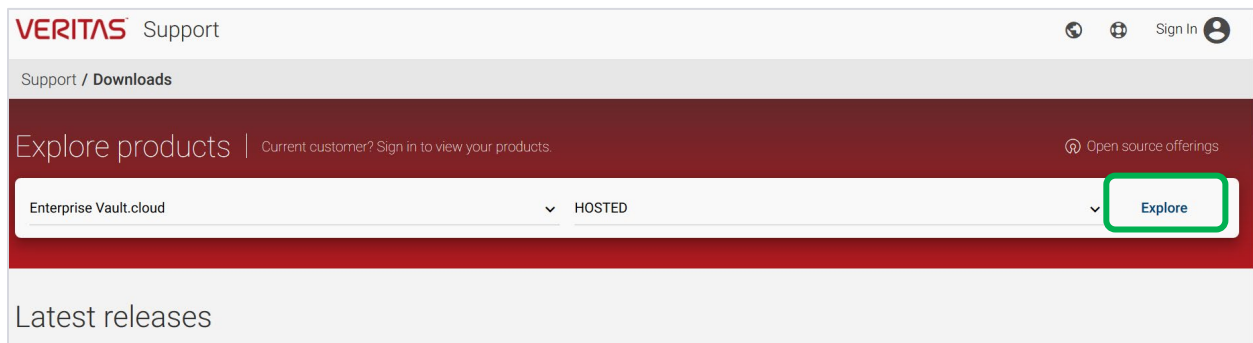

RELEASE NOTES for June 2022

9. Click the **Product** dropdown arrow, to search for **Enterprise Vault.cloud**.

10. Click **Explore**

11. In this window, click **Base and Upgrade Installers** and you will see a list of installers.
