<sup>1</sup> All future release dates are tentative and are subject to change at the sole discretion of Veritas. While the features and enhancements listed above are scheduled for the dates mentioned, Veritas makes no assurances that any or all these features and enhancements will be available at any time. Customers looking to purchase or renew their services with Veritas should do so solely based on the features of the service available at that time.

<sup>2</sup> Additional fees apply. Requires a concurrent number of Enterprise Vault.cloud Discovery Archive licenses.

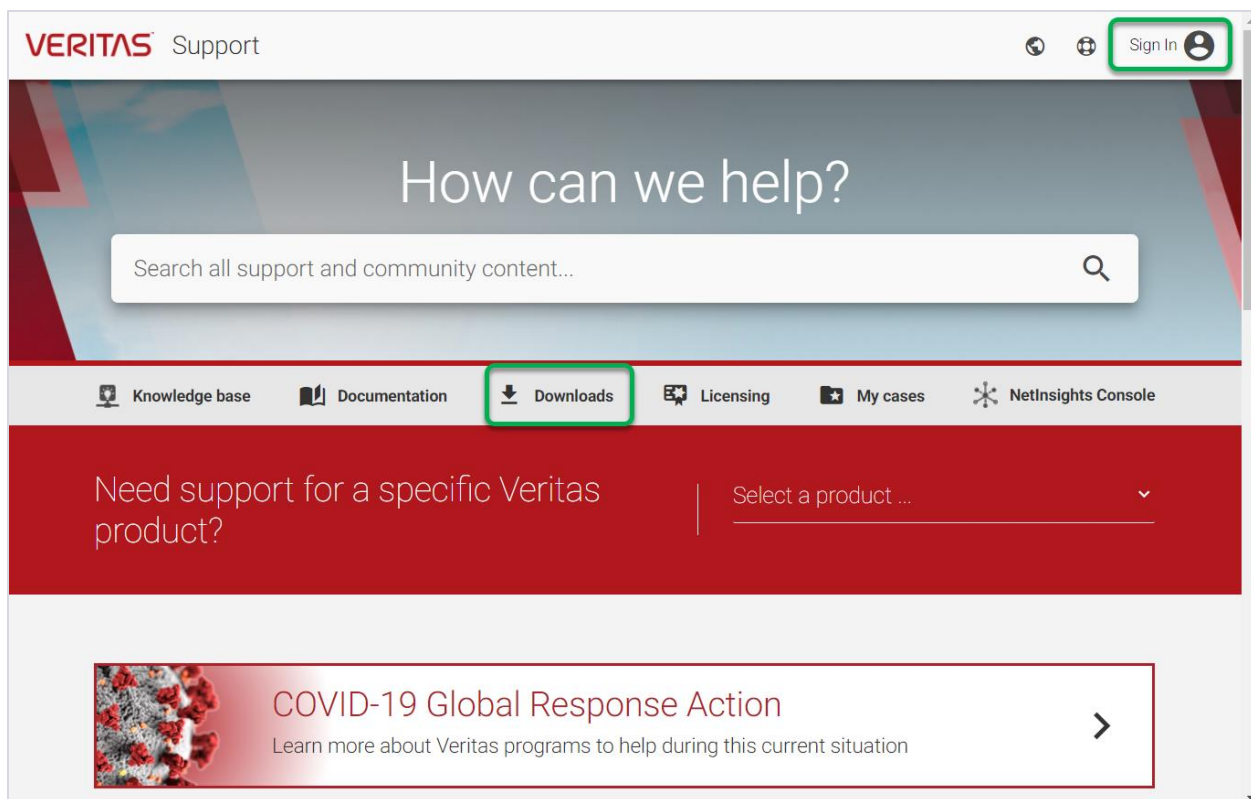

### Steps to Access Enterprise Vault.cloud Downloads

We have a new updated **Downloads Center** that makes finding your Veritas Product Downloads even easier! You can read about it here: [https://www.veritas.com/content/support/en\\_US/news/download\\_center](https://www.veritas.com/content/support/en_US/news/download_center)

The new Downloads Center effectively combines the access to files from Veritas Entitlement Management System (VEMS), the Veritas Support website, or SORT into a one stop shopping experience. Now you can find, review, and download software releases for all Veritas products (full installs, full upgrades, patches, and other related files) in one place. Obtaining Veritas software is now as simple as going to Veritas Support and clicking on the **Downloads** icon from the homepage. It is that easy!

To start working in the Downloads Center:

1. Go to the [Veritas Support](#).
2. If you have an account, then click **Sign-In** and jump to the step 8.

3. If you do not have an account, click **Create One**.

The screenshot shows the Veritas Support website. The main header includes the Veritas logo and 'Support'. A search bar is present with the text 'How can we help?'. Below the search bar are navigation links for Knowledge base, Documentation, Downloads, Licensing, and My cases. A red banner asks 'Need support for a specific Veritas product?' with a 'Select a product ...' dropdown. A section for 'COVID-19 Global Response Action' is visible. On the right, a 'Sign In' modal window is open, containing fields for Username and Password, a 'Forgot Password' link, a 'Remember me' checkbox, and a 'Create One' link highlighted with a green box. 'Cancel' and 'Sign In' buttons are at the bottom of the modal.

4. On the next screen, click **Register Now**.

The screenshot shows the 'Veritas Account Login' page. It features a header with the title 'Veritas Account Login'. Below the header, there is a paragraph explaining that Veritas Account Manager is Veritas's User Account Management application for Veritas Entitlement Management System, PartnerNet and VOX Community. A sub-header 'Login' is followed by input fields for 'User ID:' and 'Password:'. A dropdown menu labeled 'Select a Veritas Application' is positioned below the password field. A link for 'Forgot your password?' is provided. A red 'LOGIN' button is located below the input fields. At the bottom, a section titled 'Don't have a Veritas Account?' includes the text 'Create a Veritas Account now. Sign up is free.' and a red 'REGISTER NOW' button highlighted with a green box.

5. In the opened window, fill in the proper details to create an account. When complete, click **Submit**.

### Create Your Veritas Account Profile

Create your login credentials and profile once, then use them on multiple Veritas applications including Support, Veritas Entitlement Management System, PartnerNet and VOX Community.

Fields marked with \* are required. All information must be entered in Latin characters only.

By clicking on Submit you accept the Veritas Account [Privacy Notice](#).

**CANCEL**

**SUBMIT**

You will be navigated to this page where you must **activate your account** by going to your email and clicking the proper link.

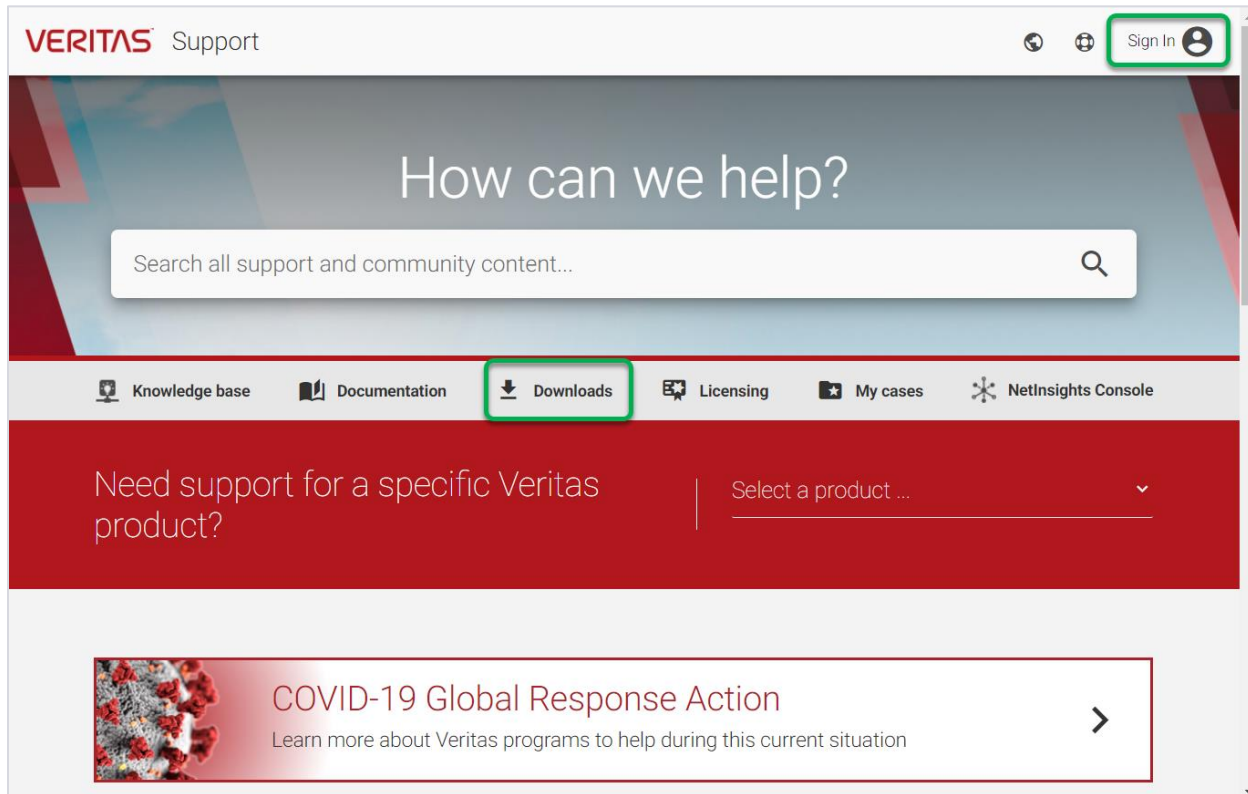

The screenshot shows a web browser window with the URL `vam.veritas.com/VAM/processCreateAccount.do`. The browser's address bar and tabs are visible. The page header includes the Veritas logo and the text "Veritas Account Manager". The main content area displays the message "Your Veritas Account Has Been Successfully Created." Below this message, a green-bordered box contains the text: "Please activate your account by clicking on Activation link in email sent to you. [Click Here](#) to return to VAM home page." The footer of the page contains the copyright notice: "©2020 Veritas Technologies LLC. All rights reserved."

6. Click the **activation link** that is included in the received email to complete the registration process.

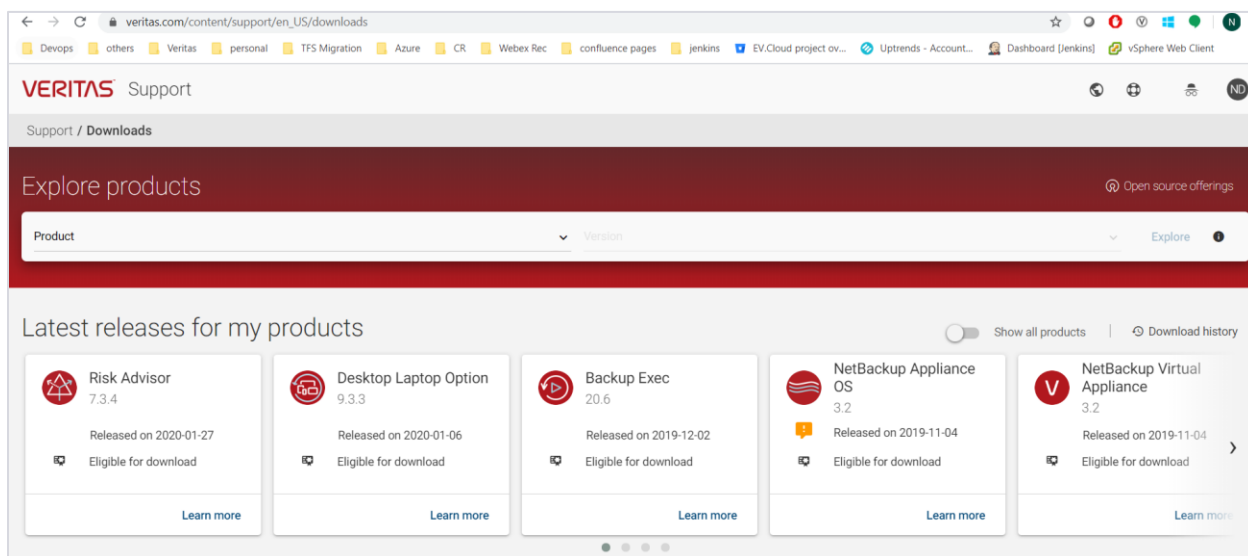

The screenshot shows an email with a blue and grey header featuring the Veritas logo. The main body of the email is titled "Veritas Account Confirmation". The text reads: "Hello, [redacted] : there's only one step left ! We just need to verify your email address to complete the setup of your account. To verify the address, click on the following link:" Below this text, a green-bordered box contains the activation link: <https://vam.veritas.com/VAM/activate?serialNumber=1611149179908Dz86S6136Q0S1JqytUx>

7. Go back to [Veritas Support](#) and **Sign in** to your account.

8. Click the **Downloads** button and you will be directed to this page.

# Enterprise Vault.cloud

RELEASE NOTES for March 2022

9. Click the **Product** dropdown arrow, to search for **Enterprise Vault.cloud**.

The screenshot shows the Veritas Support Downloads page. The breadcrumb trail is 'Support / Downloads'. The 'Explore products' section has a dropdown menu open, listing various products. 'Enterprise Vault.cloud' is highlighted in the dropdown. Below the dropdown, there are product cards for 'Backup Exec 20.6', 'NetBackup Applia OS 3.2', and 'HyperScale'. Each card includes a release date and a download icon.

10. Click **Explore**

The screenshot shows the Veritas Support Downloads page with the 'Enterprise Vault.cloud' dropdown menu open. The dropdown menu shows 'Enterprise Vault.cloud' selected and 'HOSTED' as the deployment type. The 'Explore' button is highlighted with a green box. The page also shows a 'Latest releases' section.
