¹ All future release dates are tentative and are subject to change at the sole discretion of Veritas. While the features and enhancements listed above are scheduled for the dates mentioned, Veritas makes no assurances that any or all these features and enhancements will be available at any time. Customers looking to purchase or renew their services with Veritas should do so solely based on the features of the service available at that time.

² Additional fees apply. Requires a concurrent number of Enterprise Vault.cloud Discovery Archive licenses.

³ See VIC 3.0.0 help for more details - <https://veritashelpsupport.com/Welcome?context=VIC3.0.0>

⁴ For existing on-premise customers.

⁵ Additional fees apply.

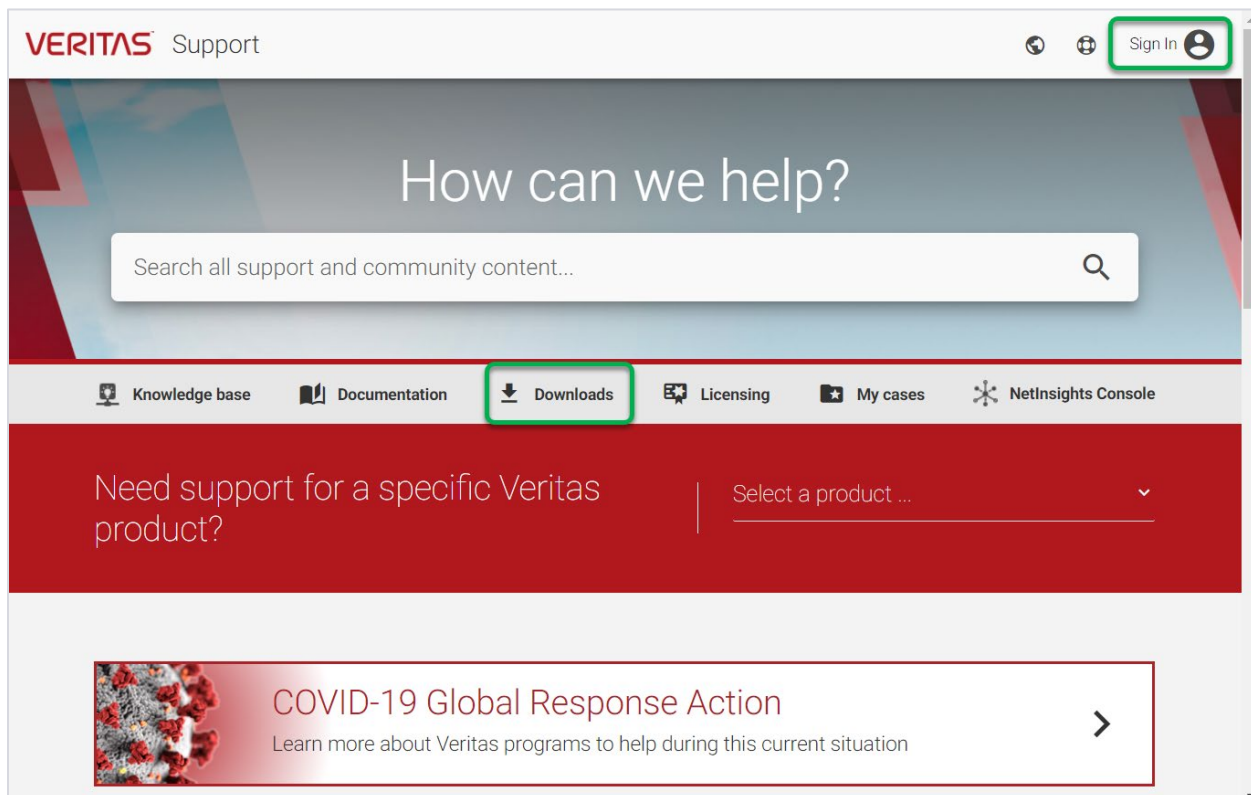

Steps to Access Enterprise Vault.cloud Downloads

We have a new updated **Downloads Center** that makes finding your Veritas Product Downloads even easier! You can read about it here: https://www.veritas.com/content/support/en_US/news/download_center

The new Downloads Center effectively combines the access to files from Veritas Entitlement Management System (VEMS), the Veritas Support website, or SORT into a one stop shopping experience. Now you can find, review, and download software releases for all Veritas products (full installs, full upgrades, patches, and other related files) in one place. Obtaining Veritas software is now as simple as going to Veritas Support and clicking on the **Downloads** icon from the homepage. It is that easy!

To start working in the Downloads Center:

1. Go to the [Veritas Support](#).
2. If you have an account, then click **Sign-In** and jump to the step 8.

3. If you do not have an account, click **Create One**.

The screenshot shows the Veritas Support website. The main header includes the Veritas logo and the text "Support". Below the header is a navigation bar with links for "Knowledge base", "Documentation", "Downloads", "Licensing", and "My cases". A large search bar is present with the text "How can we help?" and "Search all support and community content...". A red banner below the search bar asks "Need support for a specific Veritas product?" and "Select a product ...". A section titled "COVID-19 Global Response Action" is visible. On the right side, a "Sign In" modal window is open, containing fields for "Username", "Password", and "Remember me", along with a "Forgot Password" link and a "Create One" link highlighted with a green box. "Cancel" and "Sign In" buttons are at the bottom of the modal.

4. On the next screen, click **Register Now**.

The screenshot shows the "Veritas Account Login" page. The title is "Veritas Account Login". Below the title, it states: "Veritas Account Manager is Veritas's User Account Management application for Veritas Entitlement Management System, PartnerNet and VOX Community." It then says: "If you already have an existing account on one of these applications, use your". Below this is a "Login" section with input fields for "User ID:" and "Password:", and a dropdown menu labeled "Select a Veritas Application". There is a "Forgot your password?" link and a red "LOGIN" button. Below the login section, it says "Don't have a Veritas Account?" and "Create a Veritas Account now. Sign up is free." A red "REGISTER NOW" button is highlighted with a green box.

5. In the opened window, fill in the proper details to create an account. When complete, click **Submit**.

Create Your Veritas Account Profile

Create your login credentials and profile once, then use them on multiple Veritas applications including Support, Veritas Entitlement Management System, PartnerNet and VOX Community.

Fields marked with * are required. All information must be entered in Latin characters only.

SUBMIT

You will be navigated to this page where you must **activate your account** by going to your email and clicking the proper link.

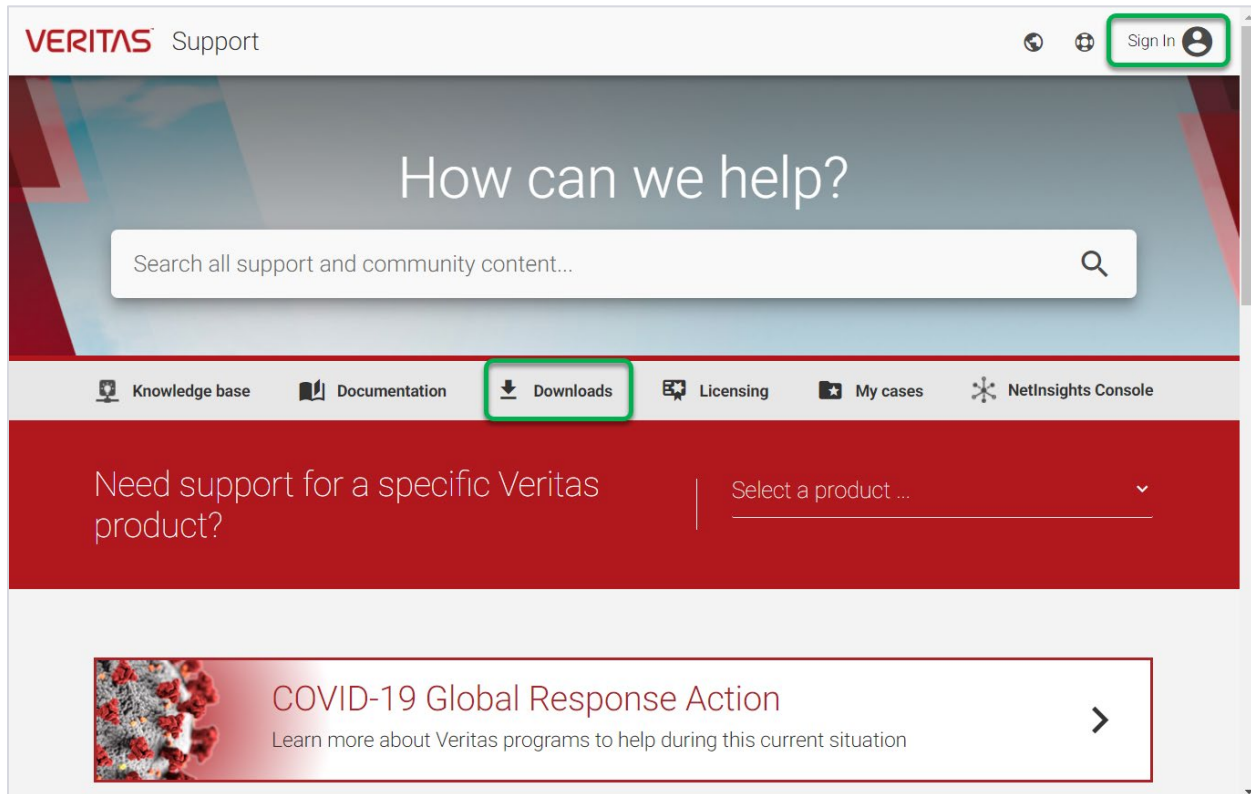

The screenshot shows a web browser window with the URL `vam.veritas.com/VAM/processCreateAccount.do`. The browser's address bar and tabs are visible. The page header includes the Veritas logo and the text "Veritas Account Manager". The main content area displays the message "Your Veritas Account Has Been Successfully Created." Below this message, a green-bordered box contains the text: "Please activate your account by clicking on Activation link in email sent to you. [Click Here](#) to return to VAM home page." The footer of the page contains the copyright notice: "©2020 Veritas Technologies LLC. All rights reserved."

6. Click the **activation link** that is included in the received email to complete the registration process.

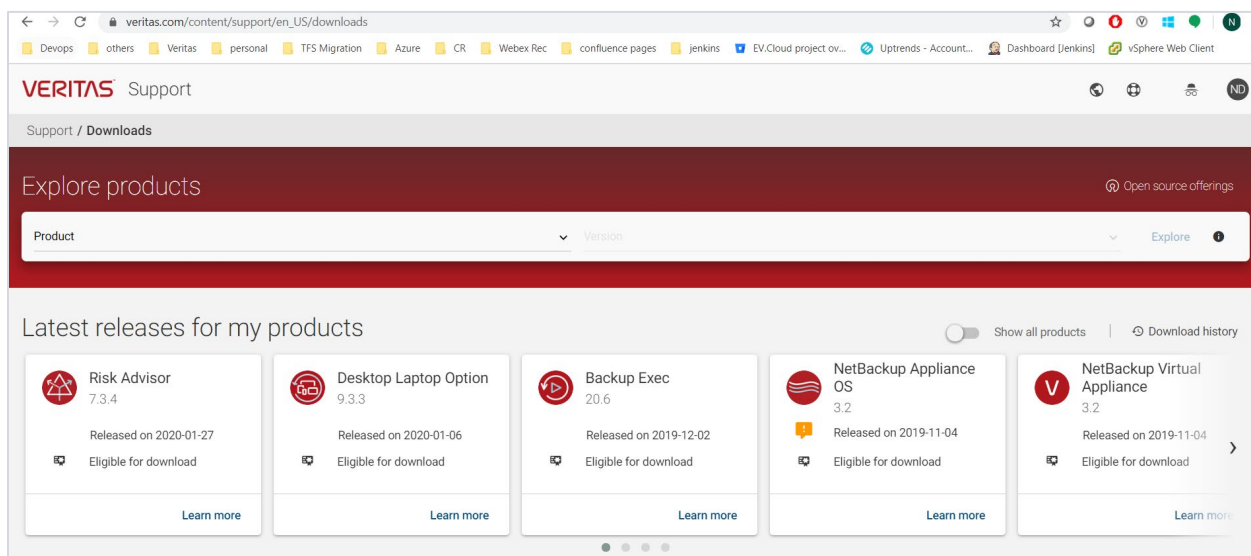

The screenshot shows an email titled "Veritas Account Confirmation" with the Veritas logo in the top right corner. The email body contains the following text: "Hello, [redacted] : there's only one step left ! We just need to verify your email address to complete the setup of your account. To verify the address, click on the following link:" Below this text, a green-bordered box highlights the activation link: <https://vam.veritas.com/VAM/activate?serialNumber=1611149179908Dz86S6136Q0S1JqytUx>

7. Go back to [Veritas Support](#) and **Sign in** to your account.

8. Click the **Downloads** button and you will be directed to this page.

Enterprise Vault.cloud

RELEASE NOTES for September 2021

9. Click the **Product** dropdown arrow, to search for **Enterprise Vault.cloud**.

The screenshot shows a web browser window at veritas.com/content/support/en_US/downloads. The page header includes the Veritas logo and 'Support'. Below the header, there is a breadcrumb 'Support / Downloads' and a section titled 'Explore products'. A dropdown menu is open, listing various products: Desktop Laptop Option, Disaster Recovery Orchestrator, eDiscovery Platform, Enterprise Vault, Enterprise Vault.cloud (highlighted), and HyperScale. To the right, there are product cards for 'Backup Exec 20.6' and 'NetBackup Applia OS 3.2', both marked as 'Eligible for download'.

10. Click **Explore**

The screenshot shows the same Veritas Support Downloads page. The 'Enterprise Vault.cloud' product is selected in the dropdown menu. The dropdown also shows 'HOSTED' and an 'Explore' button, which is highlighted with a green rectangular box. The page also includes a 'Sign In' button in the top right corner and a link for 'Open source offerings'.

11. In this window, click **Base and Upgrade Installers** and you will see a list of installers.
